

# Public Works Manager

Located in the heart of rural Alberta, and 50 minutes east of Edmonton just off the Yellowhead Highway (Highway 16), you'll find the Town of Vegreville ([www.vegreville.com](http://www.vegreville.com)). With a population of just over 5,800, and a trade area population exceeding 41,000, the Town enjoys progressive growth, innovative development, and supports a diverse economy.

Reporting to the Infrastructure, Planning & Development Director, you will oversee the areas of: Public Works, Roads, Water Distribution, Wastewater Collection repair and maintenance, Landfill, Cemetery, Sanitary Regional Airport, and the Town's Solid Waste Collection Program. There are a total of 17 employees in the department and the annual budget of just over \$8M.

The successful candidate will possess the following:

- ✓ Diploma in Civil Engineering Technology or in a related field. An equivalent combination of education and experience will be considered.
- ✓ Proven municipal experience in water and sewer installation and maintenance, as well as road construction and maintenance.
- ✓ A solid background developing and implementing Safety Standards and Practices.
- ✓ Excellent interpersonal skills with the ability to work effectively with staff, elected officials, contractors and consultants, as well as the general public.
- ✓ A demonstrated track record of strong leadership and direction with prior senior management experience preferably in a municipal setting.
- ✓ Prior landfill experience coupled with certification as an Alberta Landfill and Composting Facility Operator is considered an asset.
- ✓ A successful track record of setting and managing budgets.
- ✓ Excellent organizational and time management skills.
- ✓ Experience in implementing development plans, capital works and infrastructure improvement programs.

A competitive compensation package including base salary, a benefits package, and LAPP will be provided. Details will be discussed in further conversations.
