

Parent Link Programmer

Part Time position

Are you passionate about supporting parents to help their children learn and grow?

Do you enjoy facilitating children's programming?

The Vegreville and Area Parent Link Centre is looking for a Programmer that can support families by offering programs, resources, and referrals that help children achieve the best start in life!

Qualifications:

- Certificate or diploma in Early Childhood Development, Social Work, or an equivalent combination of education and experience.
- Experience in program planning and facilitation considered an asset.
- Valid Alberta Driver's license, valid insurance, and reliable vehicle for travel.

A detailed job description is available upon request.

Remuneration commensurate with experience and qualifications

Submit resume and cover letter to

Jennifer Maiko, Program Supervisor
