

Summer Student Public Works & VMRF

Employees will be engaged in all sectors of the Public Works Department and Utilities Department for the Town. These sectors include, but are not limited to; Roads, Vegreville Sanitary Landfill, Vegreville Materials Recovery Facility (VMRF), Water, Storm and Sanitary Sewer, and the Vegreville Regional Airport. This employee will carry out Town related work as necessary, which will involve mainly manual labour, but this employee will possess the ability to safely operate, or be trained to operate, power equipment such as line painters, spray patching equipment, balers, packers, skid steers, trucks and power and hand tools. Employees are responsible for the routine maintenance on equipment for which the employee is responsible for operating and will assist in the repair when required.

Qualifications

- Minimum of Grade 10 and one year direct experience in the operation of medium-type mobile equipment.
- Capable of working with minimal supervision.
- Capable of maintaining a professional relationship with employer(s), fellow employees, and the general public.
- Physically capable of performing assigned duties. (Medical may be required)
- Possess and retain a valid Class 5 Operator's License.
- Have good working knowledge of Safety Standards and Practices and the ability and desire to implement them.
- First Aid and Cardiopulmonary Resuscitation are considered to be assets in this position.

Only those selected for an interview will be contacted. Please submit cover letter and resumes to:
