PART ONE

SECTION 1 - GENERAL

1.1 Title

This Bylaw may be cited as the “Town of Vegreville Land Use Bylaw”.

1.2 Purpose

- (1) The purpose of this Bylaw is to regulate and control the use and development of land and buildings within the municipality to achieve the orderly and economic development of land, and for that purpose amongst other things:
- (2) to divide the municipality into districts;
- (3) to prescribe and regulate for each district the purposes for which land and buildings may be used;
- (4) to establish the office of the Development Authority;
- (5) to establish a method of making decisions on applications for development permits including the issuing of development permits;
- (6) to allow for the establishment of direct control districts;
- (7) to provide the way notice of the issuance of a development permit is to be given; and
- (8) to establish the number of dwelling units permitted on a parcel of land;
- (9) to provide a means by which statutory plans may be implemented.

1.3 Interpretation

- (1) **Severability**
If any statement, part, section, sub-section, or paragraph of this bylaw is for any reason held to be invalid by a decision of a court of competent jurisdiction, the decision shall not affect the validity of the remaining portions of this Bylaw.
- (2) **Compliance**
Compliance with this Bylaw does not provide exemption from compliance with all other applicable municipal, provincial, or federal laws and respecting any easements, covenants, agreements, and other contracts affecting the land or development.

1.4 Definitions

In this Bylaw:

- (1) **"abut" or "abutting"** means immediately contiguous or physically touching, and, when used with respect to a lot or site, means that the lot or site physically touches upon another lot or site, and shares a property line or boundary line with it;

- (2) **"accessory building or structure"** means a structure separate and subordinate to the principal building, the use of which is secondary to that of the principal building and located on the same parcel of land; this includes but is not limited to garages, sheds, decks, tent structures, patios, gazebos, verandas, and carports.
- (3) **"accessory use"** means a use customarily incidental and subordinate to the principal use or building and located in the same parcel of land with such principal use or building;
- (4) **"Act"** means the Municipal Government Act, R.S.A. 2000, as amended, and any Regulations made pursuant thereto;
- (5) **"addition"** means adding onto an existing building, provided that there are no structural changes to the existing building, no removal of the roof structure, and no removal of exterior walls, other than that required to provide an opening for access from, and integration of, the existing building to the portion added thereto and to the addition that includes a foundation, constructed to the minimum standards outlined in the Alberta Building Code, and a roof;
- (6) **"adjacent land"** means land that is contiguous to a parcel of land and includes land that would be contiguous if not for a road, river or stream;
- (7) **"agricultural industry"** means an industrial activity involving the processing, cleaning, packing or storage of agricultural products. Agricultural industry includes, but is not restricted to, seed cleaning and/or processing plants, and grain elevators, but does not include the manufacture of processed foods from agricultural products or abattoirs;
- (8) **"alternative energy technology"** means solar energy collectors, windmills, geothermal energy systems, waste heat recovery systems, biological digestive gas processes, and the necessary components including energy storage, power conditioning, control systems, transmission systems and structural support systems, to provide electricity or heat. Passive solar energy systems are included;
- (9) **"amenity area"** means an area that is developed for the active or passive recreation and enjoyment of the occupants of a dwelling or dwellings. Such area may be for either private or communal use and may be under either individual or common ownership;
- (10) **"amusement establishment, major"** means a development providing recreational facilities indoors either with three (3) or more table games or electronic games, played by patrons for entertainment. Major amusement establishments include billiard parlours and electronic games arcades with three (3) or more tables or games, and bowling alleys;
- (11) **"amusement establishment, minor"** means a development providing recreational facilities indoors with two (2) or fewer table games or electronic games, played by patrons for entertainment. Minor amusement establishments include billiard parlours, and electronic games arcades with two (2) or fewer tables or games;
- (12) **"amusement establishment, outdoor"** means a development providing recreational facilities outdoors played by patrons for entertainment. Outdoor amusement establishments include amusement parks, go-cart tracks, and miniature golf

courses. However, outdoor amusement establishments do not include drive-in motion picture theatres, carnivals, or circuses;

- (13) **"apartment"** means a building containing three (3) or more dwelling units with a common exterior entrance, but does not include any other type of multiple dwelling unit as defined in this Bylaw;

This use includes commercial kitchens, bottling plants, breweries, cideries, distilleries, food preparation facilities, cannabis facilities, wineries, and the sales of accessory or associated products;
- (34) **"contractor services - general"** means a development used for the provision of building construction, landscaping, concrete, electrical, excavation, drilling, heating, plumbing, paving, road construction, sewer or similar services of a construction nature that require on-site storage space for materials, construction equipment or vehicles normally associated with the contractor service. Any sales, display, office, or technical support service areas shall be accessory to the principal use only;

- (35) **"contractor services - limited"** means a development used for the provision of electrical, plumbing, heating, painting and similar contractor services, and where goods normally associated with the contractor service may be sold, where all materials are kept within an enclosed building, and there are no accessory manufacturing activities or fleet storage of more than four (4) vehicles;
- (36) **"convenience retail store"** means a development where goods required by area residents or employees on a day-to-day basis are bought and sold. The gross leasable area of a convenience retail store shall not exceed 275m² (2,960 ft²). Convenience retail stores include small food stores, drug stores, and variety stores selling items such as: confectionary, tobacco, groceries, beverages, pharmaceutical, personal care items, or printed matter;
- (37) **"corner site"** means a site with boundary lines on two separate roads that intersect or a single road that curves. The development, building or dwelling faces the road that conforms to the abutting lots and requires the same setbacks of that district, except on the side yard that abuts to the road;

- (38) **"Council"** means the Council of the Town of Vegreville;
- (39) **"crematorium"** means a furnace or establishment for the incineration of human or animal remains;
- (40) **"curb cut"** means the lowering of a curb, sidewalk and/or boulevard to provide vehicular and/or pedestrian access to a site;
- (41) **"day care facility"** means a provincially licensed development providing daytime personal care, maintenance and supervision to seven (7) or more children under the age of eleven (11) years, by persons unrelated to the children by blood or marriage but does not include overnight accommodation. Day care facilities include day care centres, day nurseries, kindergartens, nursery school, and play schools and after school or baby-sitting programmes which satisfy this definition. Day care facilities shall not include a day home, a group care facility, or a school operated by a School Division;
- (42) **"day home"** means a provincially licensed childcare facility operated from a residence supplying supervision of a maximum of six (6) children under 13 years of age, including the provider's children, at any one time. A day home shall supply an outside play space that is both fenced and gated, and shall meet all fire regulations and health regulations;

- (43) **"deck"** means an open structure, that is paved, wooden or hard-surfaced area, adjoining or projecting from a building with a height above grade equal to or greater than 0.6m (2 ft.) and not having walls in excess of 1.25m (4.1 ft.);
- (44) **"density"** means a measure of the average number of persons or dwelling units per unit of area;
- (45) **"developer"** means an owner, agent or any person, firm or company required to obtain or having obtained a development permit;
- (46) **"development"** means:
- (a) an excavation or stockpile and the creation of either of them, or
 - (b) a building or an addition to or replacement or repair of a building and the construction or placing of any of them in, on, over or under land, or
 - (c) a change of use of land or a building or an act done in relation to land or a building that results in or is likely to result in a change in the use of the land or building, or
 - (d) a change in the intensity of use of land or a building or an act done in relation to land or a building that results in or is likely to result in a change in the intensity of use of the land or building;
and includes:
 - (e) any increase in the number of households occupying and living in any building or on any site, and any construction or alterations or additions which would provide for an increase in the number of households which could occupy and live in any building or on any site, including any increase in the number of dwelling units in a building or on a site; or
 - (f) the placing of refuse or waste material on any land; or
 - (g) the resumption, after six (6) or more months have elapsed, of any use to which land or a building had been previously put; or
 - (h) the use of land for the storage or repair of motor vehicles or other machinery or equipment; or
 - (i) the continued use of land or of a building for any purpose for which it is being used unlawfully when this Bylaw comes into effect; or
 - (j) the demolition or removal of a building; or
 - (k) the placement of an already constructed or a partially constructed building on a parcel of land; or
 - (l) the use of land for the parking of trailers, bunk houses, portable dwellings, skid shacks, or any other type of portable building whatsoever, whether or not the same has been placed or affixed to the land in any way; or
 - (m) the removal of topsoil;
- (47) **"Development Authority"** means the Development Authority established and appointed by Council pursuant to the Act through the municipality's Development Authority Bylaw;

- (48) **"development permit"** means a document issued pursuant to this Bylaw authorizing a development;
- (49) **"direct sales consultant"** means a development as a home occupation where a resident of the home acts as a single level or multi-level marketer for the distribution of goods or products ordered by internet, telephone or catalogue, such products as, but not limited to, kitchen wares, cooking supplies, home decor, personal care products and other miscellaneous household wares;
- (50) **"discontinued"** means the time at which, in the opinion of the Development Authority, substantial construction activity or use, whether conforming or not conforming to this Bylaw, has ceased;
- (51) **"discretionary use"** means the use of land or a building provided for in this Bylaw for which a development permit may be issue at the discretion of the Development Authority;
- (52) **"district"** means a land use district;
- (53) **"double fronting site"** means a site with boundary lines on two separate roads, which intersect, or a single road that curves. In this case, the development, building, or dwelling faces the roadway away from the neighbouring or abutting building or dwelling, not conforming to the front facing but then has two front yards and must still conform to the abutting lots front setback;

- (54) **"domestic animals"** means animals like cats, dogs, small birds, etc. that have been tamed and therefore made fit for living in a human environment and are domesticated for companionship;
- (55) **"drive-in business"** means a development that serves customers travelling in motor vehicles driven onto the site where such business is carried on, where normally the customer either remains in the vehicle for service or parks the vehicle for a short period for the purpose of doing business at the premises. Drive-in businesses include drive-through service facilities such as banks and pharmacies, and drive-through vehicle service establishments such as lubrication shops, automotive service shops, recycling depots, tire shops and car washes;
- (56) **"drive-in restaurant"** means an eating and drinking establishment that is designed as a drive-in business. Drive-in restaurants may have one or more of the following features: car attendant services, drive through food pickup services, or parking primarily intended to allow for the on-site consumption of food within a motor vehicle;

- (57) **"duplex"** means a building only containing two dwelling units, either sharing one common wall in the case of side-by-side units, or having the dwelling area of one located above the dwelling area of the other in the case of vertical units, each with a private entry;
- (58) **"dwelling"** means any building used exclusively for human habitation and which is supported on a permanent foundation or base extending below ground level. Dwellings include single detached dwellings, duplexes, ground-oriented multiple unit dwellings, apartments, and manufactured homes;
- (59) **"dwelling unit"** means a complete dwelling, a self-contained portion of a dwelling, or a set or suite of rooms which contains sleeping, cooking, living and sanitary facilities, and used or intended to be used permanently or semi-permanently as a residence. This does not include a recreation vehicle, or a room in a hotel or motel;
- (60) **"eating and drinking establishment, major"** means a development where food and/or beverages are prepared and offered for sale to the public, for consumption within the premises, at an accessory outdoor seating area on the site, or off the site, which contains one or more of the following features: the provision of theatre, dancing or cabaret entertainment; facilities primarily intended for the on premise catering of food to large groups; facilities primarily intended for the provision and consumption of alcoholic beverages and which have a seating capacity for one hundred (100) or more persons. Major eating and drinking establishments include beverage rooms, cocktail lounges, cabarets, nightclubs, theatre restaurants and banquet facilities, but not drive-in restaurants;
- (61) **"eating and drinking establishment, minor"** means a development where food and/or beverages are prepared and offered for sale to the public, for consumption within the premises, at an accessory outdoor seating area on the site, or off the site, which is not a major eating and drinking. Minor eating and drinking establishments include neighbourhood pubs, licensed restaurants, cafes, delicatessens, tea rooms, lunchrooms, refreshment stands and take-out restaurants;
- (62) **"electric vehicle charging facility"** means a development for the charging of electric motor vehicles for financial gain. Electric vehicle charging facilities do not include facilities for repair or maintenance;
- (63) **"encroachment"** means anything placed, erected below, on or above ground that extends beyond a property boundary;
- (64) **"encroachment agreement"** means an authorized agreement between the Town and a property owner which allows a development to encroach onto public lands;
- (65) **"environmental reserve"** means the land designated as environmental reserve per the *Municipal Government Act*;
- (66) **"equipment rental/repair establishment"** means a development where tools, appliances, recreation craft, office machines, furniture, light construction equipment, or similar items are rented and serviced. - (227) **"yard"** means a part of a site which is unoccupied and unobstructed by any building or portion of a building above the ground level, unless otherwise allowed by this Bylaw;

1.5 Metric and Imperial Measurements

The standard measurement used within the bylaw is metric and any reference to imperial measurement is approximate and for convenience only.

1.6 Date of Receipt

Where any permit or notice issued pursuant to this bylaw is sent by mail it shall be presumed to be received seven (7) days from the date of mailing.

1.7 Establishment of Districts

- (1) For the purpose of this Bylaw, the Town of Vegreville is divided into the following Districts:

District Name	Symbol
Single Detached Residential District	R1
Single Detached Compact Residential District	R2
Medium Density Residential District	R3
High Density Residential District	R4
Large Lot Residential District	R5
Residential Manufactured Home District	RMH
Central Commercial District	C1
General Commercial District	C2
General Commercial – Highway District	C2-H
General Commercial – Rail District	C2-R
Highway Commercial District	C3
Highway Commercial – Agriculture District	C3-A
Neighbourhood Commercial District	C4
Service Commercial District	C5
Light Industrial District	M1
Heavy Industrial District	M2
Community District	P
Institutional District	I
Direct Control District	DC
Urban Reserve District	UR
Restricted Development District	RD

- (2) For the purposes of this Bylaw, the R1, R2, R3, R4, R5, and RMH Districts shall be considered Residential Districts.
- (3) The boundaries of the districts listed in subsection (1) are as delineated on the Land Use District Map, being Schedule A hereto.
- (4) Where uncertainty exists as to the boundaries of Districts as shown on the Land Use District Map, the following rules shall apply:
- (a) Where District boundaries are shown to approximate the following, they shall be deemed to be:
 - (i) the lot boundaries;
 - (ii) the municipal boundaries;
 - (iii) the centre lines of railway rights-of-way; or
 - (iv) the centre lines of the right-of-way of a road or lane.
 - (b) In circumstances not covered by Subsection (a), the location of the boundary shall be determined:
 - (i) where dimensions are set out on the Land Use District Map, by the dimensions so set; or

- (ii) where no dimensions are set out on the Land Use District Map with respect to such boundary, by measurement of and use of the scale shown on the Land Use District Map.
- (5) Where Districts have been established in accordance with a proposed subdivision of land, the boundaries of the district shall be understood to conform to the boundaries of the certificate of title or as shown on the Plan of Survey or Descriptive Plan when it is registered in a Land Titles Office. Prior to the registration, the district boundaries shall be determined based on the dimensions stated in the proposed plan of subdivision or on the scale of the Land Use District Map where dimensions are not provided.
- (6) Where the application of the above rules does not determine the exact location of the boundary of a District, the Council either on its motion or upon written application being made to it by any person requesting the determination of the exact location of the boundary shall fix the portion of the district boundary in doubt or dispute in a manner consistent with the provisions of this Bylaw and the degree of detail as to measurements and directions as the circumstances may require.
- (7) After the Council has fixed a district boundary pursuant to the provisions of subsection (4), the portion of the boundary so fixed shall not be thereafter altered except by an amendment of this Bylaw.
- (8) The Development Authority shall maintain a list of Council's decisions with respect to boundaries or portions thereof fixed by Council.
- (9) Subsections (3) to (8) above also apply to the overlay regulatory areas and their boundaries shown on the Land Use District Map.

1.8 Establishment of Land Use District Regulations

Land Use District regulations shall be as set forth in the Section of Land Use District Regulations, being Part Two, Section 5 hereto.

1.9 Establishment of Sign Regulations

Sign regulations shall be as set forth in the Section of Sign Regulations, being Part Three, Section 1 hereto.

1.10 Non-applicability of Bylaw

This Bylaw does not apply to roads or lanes.

SECTION 2 - AGENCIES

2.1. Development Authority

For the purposes of this Bylaw, the Development Authority shall be:

- (1) the Development Authority Officer; and
- (2) within the DC District, the Council, with their duties and responsibilities as described in this Bylaw.

2.2. Development Authority Officer

- (1) The Development Authority Officer shall perform such duties that are specified in Subsections (2) and (3) hereof and elsewhere in this Bylaw.
- (2) The Development Authority Officer shall keep and maintain for the inspection of the public during all reasonable hours, a copy of this Bylaw and all amendments thereto, and keep a register of all applications for development, including the decisions thereon.
- (3) For the purposes of Section 542 of the Act, both the Development Authority Officer and the Town's Bylaw Enforcement Officer are hereby declared to be the designated officers.

2.3. Council

Council shall perform such duties that are specified for it in this Bylaw.

2.4. Subdivision and Development Appeal Board

The Subdivision and Development Appeal Board shall perform such duties as are specified in Part One, Section 4 of this Bylaw.

SECTION 3

DEVELOPMENT PERMITS RULES AND PROCEDURES

3.1. Control of Development

- (1) No development other than that indicated in Section 3.3 shall be undertaken until a development permit has been issued.
- (2) No person shall perform any work differing from or enlarging any of the work for which a development permit has been issued.
- (3) If during the process of the work the applicant desires to deviate in any way from the terms of the approved development permit, he shall submit amended drawings, and if deemed necessary by the Development Authority Officer make application for approval of the plan as amended.
- (4) In addition to the requirements of this Bylaw, an application must comply with any and all federal, provincial, and municipal legislation including the requirements of a Development Permit or a Development Agreement. The applicant/landowner must also comply with the conditions of any easement, right-of-way or covenant that affects the development or subdivision; except where provisions of this Bylaw are not met, this Bylaw shall take precedence.
- (5) No person(s) shall be allowed to develop, construct, fence, park or store goods on any road allowances or undeveloped road allowances, berms, or any other public lands, unless specifically approved by the Town.

3.2. Restrictive Covenants

A restrictive covenant is not a planning document, nor is it required to be reviewed, approved, or enforced by the municipality. A restrictive covenant shall not authorize, or grant variances to this bylaw or any other provincial legislation and municipal bylaws.

A landowner may register a restrictive covenant to protect and maintain the characteristics of a subdivision or development area or a portion of lands based on exterior building materials, landscaping, building floor area, other cosmetic characteristics, and uses.

3.3. Development Not Requiring a Development Permit

The following development does not require a development permit:

- (1) The maintenance, repair, or renovation to any building, provided that such works do not include structural alterations or any development that would compromise safety codes or cause safety concerns;
- (2) The completion of a building which was lawfully under construction at the date of approval of this Bylaw, provided that the building is completed in accordance with the terms of any permit granted in respect of it and subject to the conditions to which such permit was granted, and provided also that the building, whether

or not a permit was granted in respect of it, is completed within a period of twelve (12) months from the said date of approval;

- (3) The use of any buildings referred to in subsection (2) for the purpose for which construction was commenced;
- (4) The construction, completion, alteration, maintenance, or repair of public works, public services, and public utilities carried out by or on behalf of federal, provincial, municipal, or municipally authorized entities on land which is publicly owned or controlled;
- (5) The construction, completion, alteration, maintenance or repair of a road, lane or utility, undertaken upon a road right-of-way, utility easement or other lands or undertaken to connect the same with any lawful use of buildings or land;
- (6) The erection or placement of a temporary building or sign, the sole purpose of which is incidental to the erection or alteration of a building for which a development permit has been issued, provided the temporary building or sign is removed within thirty (30) days of substantial completion or as determined by the Development Authority;
- (7) The placement or erection of signs that comply with Section 1.3 of Part Three of this Bylaw;
- (8) Hard-surfacing of any yard area in a Residential District for the purpose of providing vehicular access from a road to an on-site parking space, provided that such hard-surfacing does not exceed 8.0m (26 ft.) in width. All hard surfacing shall have proper drainage slopes to the satisfaction of the Development Authority;
- (9) Accessory buildings that are accessory to a dwelling which are less than 10.0m² (107.6 ft²) in size, unless the accessory building does not meet the minimum distance requirements outlined in Section 2 of Part Two of this Bylaw;
- (10) A patio in a Residential District that meets the minimum required yard requirements outlined in Section 2 of Part Two of this Bylaw;
- (11) Development within a basement of a dwelling which does not change or add to the uses within the dwelling, excluding the development of a bedroom;
- (12) Boarding and foster care within a dwelling unit, provided the use, in the opinion of the Development Authority, is not a boarding and lodging house, a day home, a day care facility, a group home, or a group care facility;
- (13) The erection of satellite dishes with a diameter of 0.80m (2.62 ft.) or less;
- (14) Extensive agriculture on lots 8 Hectares (20 acres) or more in area in an Urban Reserve (UR) District;
- (15) Landscaping where the proposed grades will not adversely affect the subject or adjacent properties, except where landscaping forms part of a development which requires a development permit; and
- (16) The demolition or removal of any building or structure if its erection or placement would not have required a development permit.

3.4. Non-Conforming Buildings and Uses

- (1) If a development permit has been issued on or before the day on which this Land Use Bylaw or an amendment thereto comes into effect, and the Bylaw would make the development in respect of which the permit was issued a non-conforming use or non-conforming building, the development permit continues in effect in spite of the coming into force of the Bylaw or the amendment.
- (2) A non-conforming use of land or a building may be continued, but if that use is discontinued for a period of six (6) consecutive months or more, any future use of the land or building must conform to this Bylaw.
- (3) A non-conforming use of part of a building may be extended throughout the building but the building, may not be enlarged or added to, and no structural alterations may be made.
- (4) A non-conforming use of part of a lot may not be extended or transferred in whole or in part to any other part of the lot and no additional buildings shall be erected upon the lot while the non-conforming use continues.
- (5) A non-conforming building may continue to be used but the building may not be enlarged, added to, rebuilt, or structurally altered except:
 - (a) to make it a conforming building,
 - (b) for the routine maintenance of the building, if the Development Authority considers it necessary, or
 - (c) in accordance with minor variances by the Development Authority in accordance with the Act.
- (6) If a non-conforming building is damaged or destroyed to the extent of more than 75% per cent of the value of the building above its foundation, the building may not be repaired or rebuilt except in accordance with this Bylaw.
- (7) The land use or the use of a building is not affected by a change of ownership or tenancy, of the land or building.
- (8) Any building which encroaches into the front, rear, or side yard, or any or all of them, to a maximum of 10% of the setbacks required by this or any previous Bylaw, or 0.5m, whichever is the lesser distance, shall be deemed to conform to the setback requirements of this or any previous Bylaw if the building:
 - (a) Conforms to any site plan or development permit approved by the Development Authority; and
 - (b) Does not encroach into the abutting lands

3.5. Development Permit Applications

- (1) An application for a development permit shall be made on the form required by the Development Authority, and shall be accompanied by:
 - (a) a site plan in duplicate showing:
 - (i) north arrow and scale indicated

- (ii) Legal description and street address;
 - (iii) the boundaries of the site including any lots that may make up the site;
 - (iv) all the existing and proposed buildings on the site;
 - (v) the front, rear, and side yards, if any;
 - (vi) any provision for off-street loading, vehicle standing, and parking areas; and
 - (vii) access and egress points to the site;
- (b) a statement of proposed uses;
 - (c) a statement noting ownership of the land and the interest of the applicant therein.
 - (d) floor plans and elevations;
 - (e) a map confirming the absence of abandoned wells affecting the site.
- (2) Each application for a development permit shall be accompanied by a fee as established in the Planning and Development Departments Fees and Charges Bylaw passed by Council.
- (3) The Development Authority may also require additional information in order to assess the conformity of a proposed development with this Bylaw before consideration of the development permit application. Such information may include:
- (a) the location of existing and proposed municipal and private storm and sanitary sewage collection and disposal, water supply and distribution utilities, landscaped areas and buffering and screening;
 - (b) the height and horizontal dimensions of all existing and proposed buildings;
 - (c) outlines of roof overhangs on all buildings;
 - (d) existing and proposed grades on the site, adjacent sites, roads, and lanes;
 - (e) landscaping plans, including the location of existing and proposed trees, shrubs, grassed areas, fences, screenings, and outdoor furniture on the site and on adjacent boulevards within road rights-of-way;
 - (f) drainage and grading plans;
 - (g) in a Residential District, the suggested location for a future driveway and garage or carport, if the application itself does not include such buildings as part of the proposal;
 - (h) future development plans for a site which is to be partially developed under the current application;
 - (i) in the case of a home occupation, information concerning the number of employees, the location of any goods to be kept or stored, and an estimate of the number of client visits to be expected to the site each week;
 - (j) in the case of the placement of an already constructed or partially constructed building on a site, information relating to the age and condition

- of the building and its compatibility with the district in which it is to be located, including photographs of the building;
- (k) a statutory declaration indicating that the information supplied is accurate; and
 - (l) other pertinent information or tests required by the Development Authority and produced by a qualified registered professional that may include:
 - (i) a geotechnical report to determine potential hazardous or unstable areas;
 - (ii) a biophysical assessment to determine impacts on sensitive or important ecosystems;
 - (iii) a hydrogeological report to determine impacts on watersheds and aquifers;
 - (iv) an environmental site assessment to determine potential contamination and mitigation;
 - (v) an environmental impact assessment to determine potential environmental effects;
 - (vi) a storm water management plan;
 - (vii) a flood management plan;
 - (viii) a traffic impact assessment (TIA); and
 - (ix) an Area Structure Plan; or
 - (m) any other information deemed necessary by the Development Authority to adequately assess the proposal.
- (4) The Development Authority Officer shall advise the applicant in person, or by electronic means whether an application is complete or incomplete within 20 days of an application having been submitted, and, if incomplete, shall advise the applicant of what further information is required to be submitted and by what date it must be submitted.
- (5) Notwithstanding any other provisions of this Bylaw, the Development Authority may make a decision on a development permit application without all the information required where the information is deemed sufficient to properly evaluate the application.

3.6. Variance to Regulations

Variances to regulations and standards shall be considered by the Development Authority Officer according to the merits of the individual application, who may approve, with or without conditions, a development application that does not comply with this Bylaw where:

- (1) there are exceptional circumstances or conditions applicable to a particular property to the extent that practical difficulties, or results inconsistent with the general purposes of these regulations may result from their strict and literal interpretation and enforcement; and

- (2) the proposed development would, in the Development Authority Officer's opinion, conform with the use prescribed for that land or building in this Bylaw; and
- (3) the development, enlargement, alteration, or addition to a legal non-conforming building if the non-conforming building complies with the uses prescribed for that land in this Bylaw would not, in Development Authority Officer's opinion:
 - (a) unduly interfere with the amenities of the neighbourhood; or
 - (b) materially interfere with or affect the use, enjoyment, or value of neighbouring properties.

3.7. Decision Process and Re-Application

- (1) The Development Authority Officer shall:
 - (a) receive and review all applications for a Development Permit;
 - (b) refer to Council for its consideration and decision all applications for a Development Permit in the Direct Control (DC) District, unless otherwise provided for in this Bylaw;
 - (c) consider and decide on all other applications for a Development Permit.
- (2) In making a decision, the Development Authority Officer may;
 - (a) approve the application unconditionally,
 - (b) approve the application subject to those conditions that are considered appropriate,
 - (c) approve the application permanently or for a limited period of time, or
 - (d) refuse the application.
- (3) In making a decision within a Direct Control (DC) District, Council may
 - (a) approve the application unconditionally,
 - (b) approve the application subject to those conditions Council considers appropriate,
 - (c) approve the application permanently or for a limited period of time,
 - (d) refuse the application, or
 - (e) return the application to the Development Authority Officer for decision, in which case the Development Authority Officer shall act in accordance with Council's directions.
- (4) Development may be prohibited where it would otherwise be allowed under this Bylaw when, in the opinion of the Development Authority, satisfactory arrangements have not been made for the supply of required transportation and utility improvements, including payment of the costs of installing or constructing any such facilities by the applicant.
- (5) In the case where a proposed specific use of land or a building is not provided for in the Bylaw, the Development Authority Officer may determine that such use is similar in character and purpose to a permitted or discretionary use prescribed for a particular District in Part Two.

- (6) An application for a Development Permit shall, at the option of the applicant, be deemed to be refused when a decision thereon is not made by the Development Authority within forty (40) calendar days after receipt of the application unless the applicant has entered into a written agreement to extend the decision period. The applicant may appeal in writing as provided for in Section 4 Part One of this Bylaw as though he has received a refusal at the end of the forty (40) day period or any agreed-to extension.
- (7) In the case where an application for a Development Permit has been refused pursuant to this section or after appeal, the Development Authority may or may not accept another application for a Development Permit on the same parcel of land and for the same or similar use by the same or any other applicant for six (6) months after the date of the refusal.
- (8) If the Development Authority discovers that a decision made on a Development Permit application was either:
 - (a) incorrect, that is, not in compliance with the provisions and requirements of this Bylaw; or
 - (b) based on information which was subsequently determined to be incorrect or misunderstood by the Development Authority.

The Development Authority may rescind the Development Permit. In such a circumstance, the appeal period begins from the date the applicant is advised that the Development Permit approval has been rescinded.

- (9) If the development authorized by a permit is not commenced within six (6) months from the date of the issue and completed within twelve (12) months of the date of the issue of the permit or such date as provided by the Development Authority, the permit is deemed to be void, unless an extension to this period is granted in writing by the Development Authority.
- (10) Where an application for a Development Permit is submitted where the development would occur in stages over a time period exceeding twelve (12) months, the Development Authority may:
 - (a) issue a permit for the entire development upon submission of satisfactory information as to the proposed staging and corresponding time frame of each stage; or
 - (b) extend the permit up to a maximum period of five (5) years from the original date the permit is approved, provided that:
 - (i) no change in the original development permit application as approved is proposed; and
 - (ii) no significant change in the Land Use Bylaw affecting the development is deemed, in the sole opinion of the Development Authority, to have occurred.

3.8. Conditions of Development Permit Approval

The Development Authority may apply any conditions it deems appropriate to ensure compatibility with the amenities of the neighbourhood and the use, enjoyment, and value of neighbouring parcels of land, including but not limited to the following:

- (1) The Development Authority may require that as a condition of issuing a development permit, the applicant enter into an agreement with the municipality to:
 - (a) construct or pay for the construction of a road required to give access to the development;
 - (b) construct or pay for the construction of:
 - (i) a pedestrian walkway system to serve the development;
 - (ii) pedestrian walkways to connect the pedestrian walkway system serving the development with a pedestrian walkway system that serves or is proposed to serve an adjacent development;
 - (iii) or both.
 - (c) install or pay for the installation of public utilities, works, deep and shallow services, and street lighting, that are necessary to serve the development;
 - (d) to construct or pay for the construction of:
 - (i) off-street or other parking facilities; and
 - (ii) loading and unloading facilities;
 - (e) to pay an off-site levy; and/or
 - (f) to provide security to ensure that the terms of the agreement are carried out.
- (2) the applicant shall comply with all provisions of this Bylaw and all other municipal, provincial, and federal regulations;
- (3) the applicant shall obtain a building permit;
- (4) the development shall be constructed and located in accordance with the approved plan;
- (5) the applicant shall undertake construction in accordance with the site plans, landscaping plans, drainage plans, and grading plans submitted, and undertake any remedial measures recommended or required by any engineering or environmental screening reports provided to the Development Authority during the development permit application process;
- (6) the applicant is responsible ensuring that all development is outside utility rights-of-way or obtaining approval from the right of way holder;
- (7) all primary and secondary utility locates are the responsibility of the applicant, who shall make arrangements for services and/or necessary easements;

- (8) the applicant shall ensure a minimum of 2 weeks prior to construction or excavation that the invert of the main sewer line is confirmed by the contractor/ excavator and utilized in the design process;
- (9) installation and/ or removal of all services is the responsibility of the applicant, including location, depth, elevation, and existence of any and all deep services;
- (10) the applicant shall contact the Town of Vegreville Public Works Department for a utility inspection prior to backfill of water and sanitary sewer service lines. Advance notification a minimum of 24 hours, followed by 1-hour notice for the actual inspection is required;
- (11) the applicant shall provide confirmation of Alberta Environment and Parks approval;
- (12) the applicant shall provide confirmation of Alberta Transportation approval for any development influencing/ effecting traffic along Highway 16-A or Secondary 857;
- (13) the applicant shall repair any damages to sidewalks, curbs, and all public property if any are damaged during project development;
- (14) the applicant shall remove any debris scattered on streets, public, or private property within 12 hours;
- (15) the applicant shall ensure final grading is adequate to direct surface water to drain to public or municipal lands;
- (16) the applicant shall ensure and provide verification that final grading is adequate to allow for surface water to drain to public or municipal lands and comply with the provisions outlined in this Bylaw;
- (17) the applicant shall provide a Real Property Report showing the location and geodetic elevation of the foundation prior to construction progressing beyond the sub floor stage;
- (18) the applicant shall submit a Lot Grading Certificate from a certified land surveyor, professional engineer, or registered architect for rough and final grade within 1 year of occupancy;
- (19) the applicant shall submit a Traffic Plan to be approved two (2) business days prior to any traffic disturbance.
- (20) The applicant is responsible to locate property pins to ensure a fence to be constructed is on or inside property lines. Please note if you locate your own property pins this is at your own risk.
- (21) It is the applicants/property owner's responsibility to have the water and sewer services located prior to construction. Applicable fees may apply.
- (22) Acceptance of materials at the Vegreville Sanitary Landfill: Contact the Vegreville Sanitary Landfill for waste material information, sorting requirements and regulations, and tipping fees.

3.9. Development Permit Validity and Notice

- (1) A Development permit granted pursuant to this Section does not come into effect until twenty-one (21) days after the date notification of the decision is given. Any development proceeded with by the applicant prior to the expiry of this period is done solely at the risk of the applicant.
- (2) Where an appeal is made, a Development Permit shall not come into effect until the appeal has been determined and the permit has been confirmed or modified.
- (3) The decision of the Development Authority shall be given in writing and a copy of it sent to the applicant.
- (4) When a Development Permit has been issued for a discretionary use or with a variance to the Bylaw, the Development Authority Officer shall:
 - (a) post a notice of the decision conspicuously on the property for which the application has been made; and/or
 - (b) mail a notice of the decision to all owners of land within 60m (197 ft.) of the subject site, and to those other owners of land who, in the sole opinion of the Development Authority Officer, may be affected; and/or
 - (c) publish a notice of the decision in a newspaper circulating in the municipality.
- (5) The notice provided in Subsection (4) shall include:
 - (a) the legal description and the street address of the site of the proposed development;
 - (b) the uses proposed for the subject development;
 - (c) any discretion that was granted in the approval of the development, and any variation or relaxation of regulations;
 - (d) the date the Development Permit was issued; and
 - (e) how an appeal might be made to the Subdivision and Development Appeal Board and the deadline for such appeal.
- (6) When approval of a permit for a permitted use where no variances to the bylaw have been provided or discretion of the Development Authority Officer exercised, notification is not required, but may at the discretion of the Development Authority Officer.
- (7) When the Development Authority refuses an application for a Development Permit, the decision shall contain reasons for the refusal.

3.10. Developer's Responsibility

- (1) A person to whom a Development Permit has been issued shall obtain from the appropriate authority where applicable, authorization relating to safety codes, grades, sewers, water mains, electricity, gas, and highways, and all other permits required in connection with the proposed development.

- (2) The applicant shall be financially responsible during construction for any damage by the applicant, their servants, suppliers, agents, or contractors to any public or private property.
- (3) The applicant shall prevent soil or debris from being spilled on public roads, lanes, and sidewalks, and shall not place soil or any other materials on adjacent lots without permission in writing from adjacent property owners.
- (4) No building or use shall be used or occupied and no change in the existing occupancy classification of a building shall be made until the applicant, proposed user or proposed occupant of the building or use demonstrates that substantial completion has been undertaken.
- (5) A person in receipt of a final inspection report issued pursuant to the Alberta Safety Codes Act is not absolved from complying with or satisfying any conditions or requirements of a Development Permit or Development Agreement pursuant to this Bylaw.
- (6) A person in receipt of a Development Permit issued pursuant to this Bylaw requires the necessary permits issued pursuant to the Alberta Safety Codes Act, some of the regulations/provisions of which may not be consistent with the regulations/provisions of this Bylaw.
- (7) A Development Permit issued pursuant to this Bylaw does not exempt compliance with health regulations or any other municipal/provincial/federal acts or regulations.
- (8) A Development Permit is not transferable without the prior consent of the Development Authority.

SECTION 4 - APPEALS

4.1. Appeal Procedure

- (1) If the Development Authority Officer:
 - (a) fails or refuses to issue a Development Permit;
 - (b) issues a Development Permit subject to conditions; or
 - (c) issues an Order under section 645 of the Act;the person applying for the permit or affected by the Order may appeal to the Subdivision and Development Appeal board.
- (2) In addition to an applicant under subsection (1), any person affected by an Order, decision or Development Permit made or issued by a Development Authority may appeal to the Subdivision and Development Appeal Board.
- (3) Despite subsections (1) and (2), no appeal lies in respect of the issuance of a Development Permit for a permitted use unless the provisions of the Land Use Bylaw were relaxed, varied, or misinterpreted.
- (4) If a Development Permit is issued directly by Council, there shall be no appeal to the Subdivision and Development Appeal Board.
- (5) An appeal shall be made by serving a written notice of appeal to the Secretary of the Subdivision and Development Appeal Board:
 - (a) in the case of an appeal made by the applicant or the person subject to an order, within twenty-one (21) days after:
 - (i) the date on which the person is notified of the Order or decision or the issuance of the Development Permit, or
 - (ii) if no decision is made with respect to the application within the 40-day period or within any extension, the date the period or extension expires, or
 - (b) in the case of an appeal made by a person affected by an Order, decision, or Development Permit, within twenty-one (21) days after the date on which the notice of the issuance of the permit was given.
- (6) Each Notice of Appeal shall be accompanied by a fee established by the Fees and Charges Bylaw passed by Council.

4.2. Appeal Hearing

- (1) Within thirty (30) days of receipt of a notice of appeal, the Subdivision and Development Appeal Board shall hold an appeal hearing.
- (2) The Subdivision and Development Appeal Board shall give at least five (5) days notice in writing of the appeal hearing to:
 - (a) the appellant;

- (b) the Development Authority Officer from whose Order, decision or development permit the appeal is made;
 - (c) those landowners who were notified and any other person that the Subdivision and Development Appeal Board considers to be affected by the Order, decision, or Development Permit; and
- (3) The Subdivision and Development Appeal Board shall make available for public inspection before the commencement of the hearing relevant documents and materials respecting the appeal including:
- (a) the application for the Development Permit, the decision, and the Notice of Appeal, or
 - (b) the order of the Development Authority.
- (4) At the appeal hearing referred to in Subsection (1), the Subdivision and Development Appeal Board shall hear:
- (a) the appellant or any other person acting on his behalf;
 - (b) the Development Authority Officer from whose Order, decision or Development Permit the appeal is made, or if a person is designated to act on behalf of the Development Authority, that person;
 - (c) any other person who was served with notice of the hearing and who wishes to be heard or a person acting on his behalf; and
 - (d) any other person who claims to be affected by the Order, decision, or Development Permit and that the Subdivision and Development Appeal Board agrees to hear or a person acting on his behalf.

4.3. Decision

- (1) In determining an appeal, the Subdivision and Development Appeal Board:
- (a) must comply with the provincial Land Use Policies and statutory plans;
 - (b) must have regard for but is not bound by the Subdivision and Development Regulation;
 - (c) may confirm revoke, or vary the Order, decision, or Development Permit or any condition attached to it or may make or substitute an Order, decision, or Development Permit of its own; and
 - (d) may make an Order or decision or issue or confirm the issuance of a Development Permit even though the proposed development does not comply with this Bylaw if, in its opinion;
 - (i) the proposed development would not unduly nor materially interfere with or affect the use, enjoyment, or value of neighbouring properties; and
- (2) the proposed development conforms with the prescribed use for the land or building as defined in this Bylaw.

- (3) The Subdivision and Development Appeal Board shall give its decision in writing together with reasons for the decision within fifteen (15) days of the conclusion of the hearing.
- (4) A decision made under this part of the Bylaw is final and binding on all parties and all person's subject only to an appeal upon a question of jurisdiction or law pursuant to the Act. An application for leave to the Court of Appeal shall be made:
 - (a) to a judge of the Court of Appeal; and
 - (b) within thirty (30) days after the issuance of the Order, decision, Development Permit, or approval sought to be appealed.

SECTION 5 - ENFORCEMENT

5.1 Contravention and Penalties

- (1) No person shall contravene or permit a contravention of this Bylaw.
- (2) No person shall undertake a development or use that is not permitted in this Bylaw.
- (3) A person found guilty of an offence is liable upon conviction to:
 - (a) A fine of \$250.00 for a first offence;
 - (b) A fine of \$500.00 for a second offence;
 - (c) A fine of \$1,000.00 for a third or subsequent offence;
 - (d) imprisonment for not more than one (1) year; or
 - (e) both fine and imprisonment, pursuant to Section 566 of the Act.

Each day that a breach of the Bylaw has occurred is considered a separate offence.

5.2 Stop Order

If a development authority finds that a development, land use or use of a building is not in accordance with the Land Use Bylaw, or a Development Permit, the Development Authority Officer may, by written notice, order the owner, the person in possession of the land or building or the person responsible for the contravention, or any or all of them, to

- (1) stop the development or use of the land or building in whole or in part as directed by the notice,
- (2) demolish, remove, or replace the development, or
- (3) carry out any other actions required by the notice so that the development or use of the land or building complies with the land use bylaw or development permit,

within the time set out in the notice.

- (1) A person who receives a notice may appeal to the Subdivision and Development Appeal board.
- (2) Where a person fails or refuses to comply with an Order within the time specified, the Development Authority may, in accordance with the Act, enter upon the land or building and take such action as is necessary to carry out the order.
- (3) A Municipality may register a caveat under the Land Titles Act in respect of an Order against the certificate of title for the land that is the subject of the Order.
- (4) Where the Development Authority carries out an Order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll as an additional tax against the property concerned, and that amount shall be collected in the same manner as taxes on land.

5.3 Violation Tickets

In addition to the process and penalties described above, the Development Authority Officer, Community Peace Officer, or any other person identified as a designated officer for the purposes of this Section, shall be authorized to issue violation tickets in respect to any contravention of this Bylaw.

- (1) Persons contravening any provision of this Bylaw to whom violation tickets are issued shall be liable to a fine for a first offence and each subsequent offence as specified by Council up to a maximum of \$10,000 for each fine.
- (2) The violation ticket will include the nature of the violation, corrective measures that must be taken, and the deadline for the completion of the corrective measures. The violation ticket shall require payment, within twenty-one (21) days from the date of issue of the violation ticket, of a fine to the Town.
- (3) The violation ticket shall be served upon the alleged offender personally or by mail where receipt can be confirmed.
- (4) If payment, and corrective measures are made within the time limit, then payment and correction of the contravention shall be accepted in lieu of prosecution for the offence.
- (5) If a person who has been served with a violation ticket fails to pay the fine specified therein, then the right of the alleged offender to settle the alleged offence without a court appearance shall no longer apply and prosecution for the alleged offence shall proceed.
- (6) If the person who was served with the violation ticket is thereafter prosecuted and convicted of the offence specified in the violation ticket, the fine imposed shall not be more than \$10,000, plus court costs.

SECTION 6 - ADMINISTRATION

6.1 Application to Amend Bylaw

- (1) A person may apply to have this Bylaw amended by applying in writing to the Town, in care of the Development Authority, furnishing reasons in support of the application and paying the applicable fee;
- (2) Council may at any time initiate an amendment to this Bylaw by directing the Development Authority Officer to initiate the process.

6.2 Form of Application

- (1) All applications for amendment to this Bylaw shall be made on the form as determined by the Development Authority, and shall be accompanied by:
 - (a) the specifics of the proposed amendment; and
 - (b) the application fee as established by Council.
- (2) Where the amendment is to change the district applicable to a site, the applicant shall provide:
 - (a) a recent title search of the land affected or other documents showing the applicant's interest in the said land; and
 - (b) drawings showing the subject site, the proposed District and the proposed use and development to be proposed on the site, if applicable; and
 - (c) where the applicant is an agent acting for the owner, a letter from the owner(s) authorizing the agent to make the application; and
 - (d) an environmental screening of the site, at the discretion of the Development Authority Officer.

6.3 Amending Bylaws

All amendments shall be made by Council by bylaw and in conformity with the Act.

6.4 Schedules

Schedule A and Schedule B are adopted as part of this Bylaw and may be amended in the same manner as any other part of this Bylaw.

6.5 Repealing Existing Controls

Bylaw No. 15-2017 and all amendments are hereby repealed.

FLOOD HAZARD AREA MAP

PART TWO

LAND USE DISTRICT REGULATIONS

SECTION 1 - GENERAL PROVISIONS

Notwithstanding the District Regulations in effect on a site, the following regulations shall also apply:

1.1 Subdivision of Land

- (1) Where the development of land involves a subdivision of land, no Development Permit shall be issued until the subdivision has been registered at the Land Titles Office.
- (2) Subject to subsection (3) below, any application to subdivide land in the Municipality shall conform to the Act, regulations made pursuant to the Act, and this Bylaw.
- (3) The Subdivision Authority may approve an application for subdivision or a bare land condominium plan even though the proposed subdivision or bare land condominium plan does not comply with the regulations of this Bylaw if, in the opinion of the Subdivision Authority:
 - (a) the proposed subdivision or bare land condominium plan would not:
 - (i) unduly interfere with the amenities of the neighbourhood; or
 - (ii) materially interfere with or affect the use, enjoyment, or value of neighbouring parcels of land; and
 - (b) the proposed subdivision or bare land condominium plan conforms to the use prescribed for that land or building in this Bylaw.

1.2 Dwelling Units on a Lot

The number of dwelling units on a lot shall be as identified within the District Regulations.

1.3 Substandard and Irregular Lots

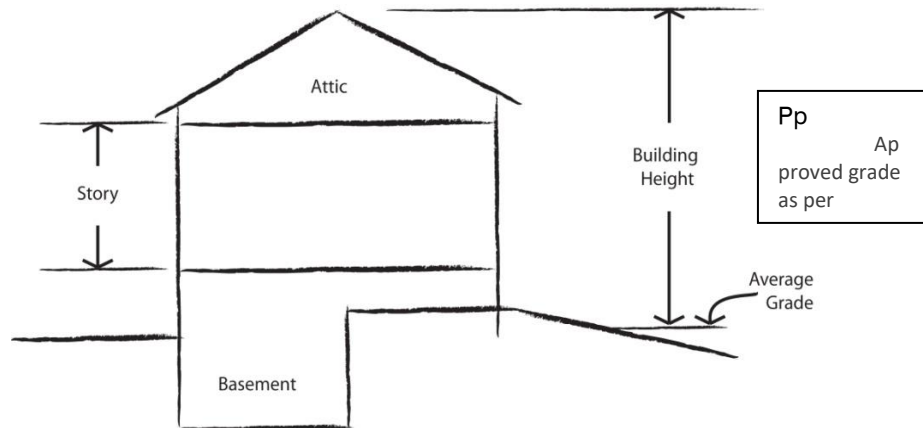

- (1) Irregular lots are existing lots where the minimum site area, site depth, and site width may be less than the minimum dimensions in the District Regulations.
- (2) Substandard lots are those where exceptional circumstances or conditions to a particular shape or location of a property is inconsistent with the general regulations of its district.
- (3) All applications for development on substandard and irregular lots shall be considered by the Development Authority Officer according to the merits of each individual application.

- (4) On an irregular lot where:
 - (a) the lot size is a minimum of 371m² (4004 ft²);
 - (b) the maximum lot coverage is 35%;
 - (c) the development does not adversely affect the existing adjacent properties;

at the discretion of the Development Authority Officer, the minimum required rear yard shall be reduced to 2.7m (9.0 ft.)

1.4 Building Height

- (1) The base from which to measure the height of a building or structure shall be from any point on the finished ground elevation adjoining all exterior walls. On sloping ground, building height shall be considered as the average of the highest and lowest grades.
- (2) The height of a building shall not exceed the maximum height for the prescribed land use district.
- (3) Notwithstanding section 1.4 (2), in determining the highest point of a building, the following structures shall not be considered to be part of the building: elevator housing, mechanical housing, roof stairway entrance, ventilation fans, a skylight, a steeple, a smokestack, a parapet wall, or a flag.

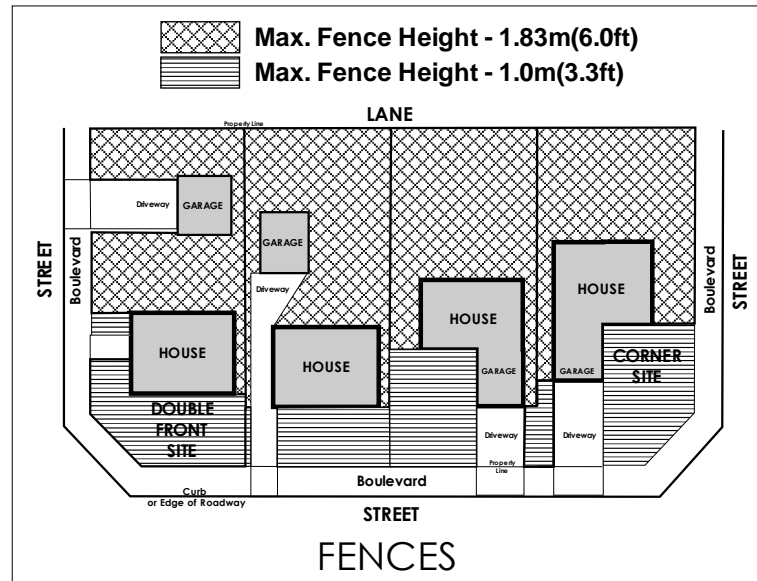

- (4) The Developer must consider the slope of the adjacent properties, and may require a lot grading certificate, at the Discretion of the Development Authority Officer to ensure proper drainage.

1.5 Fences

- (1) Notwithstanding any regulation respecting required minimum yard to the contrary in this Bylaw, a fence or hedge may be constructed along a boundary line of a site.
- (2) Unless otherwise provided in this Bylaw, no fence, wall, or hedge in a Residential District shall be:
 - (a) higher than 1.83m (6.0 ft.) above grade in side yards and rear yards; or

- (b) higher than 1.0m (3.3 ft.) above grade in front yards; or
 - (c) higher than 1.0m (3.3 ft.) above grade within the sight triangles provided in Section 1.11.
- (3) All apartment or ground-oriented multiple unit dwelling developments shall provide, a wall, hedge, or wooden fence of not less than 1.22m (4.0 ft.) nor more than 2.13m (7.0 ft.) in height, along any side lines adjacent to any Residential District.
- (4) Fences, walls, and hedges in Residential District shall conform to the drawing below:

- (5) In the case of corner sites in Residential and Non-residential districts, the Development Authority Officer may further restrict fencing of a corner cut or corner if the boulevard is not sufficient for vehicle sight lines and for the passage of service vehicles, such as but not limited to refuse trucks or graders.
- (6) Unless otherwise provided in this Bylaw, no fence, wall, or hedge in a C1, C2, C2-H, C2-R, C3, C3-A, C4, C5, M1, M2, or I District shall be:
- (a) higher than 2.75m (9.0 ft.) above grade in side yards and rear yards; or
 - (b) higher than 1.83m (6.0 ft.) above grade in front yards; or
 - (c) higher than 1.83m (6.0 ft.) above grade within 6.1m (20.0 ft.) of the intersection of lanes, roads, or any combination of them.
- (7) No fences comprised of barbed wire shall be allowed, except, at the discretion of the Development Authority Officer, in the M2 District and in the UR District. If barbed wire is allowed, it shall not be allowed below a height of 1.83m (6.0 ft.) unless the Development Authority Officer, at his sole discretion, allows barbed wire at a lower height where, in his opinion, dwellings would not be in proximity to the fence proposed.
- (8) No electrification of fences shall be allowed.

- (9) The Development Authority Officer may require that a fence or other screen be provided to a height of at least 1.53m (5.0 ft.) surrounding the following where they would be visible from a road or from an adjacent dwelling:
 - (a) outdoor storage areas;
 - (b) garbage collection areas;
 - (c) loading or vehicle service areas; and
 - (d) industrial or manufacturing areas.
- (10) All commercial or industrial uses adjacent or within visible proximity to any Residential District shall provide, to the satisfaction of the Development Authority Officer, a solid fence of not less than 1.83m (6.0 ft.) in height for screening.
- (11) All drive-in businesses shall provide a solid fence of not less than 1.53m (5.0 ft.) nor more than 2.13m (7.0 ft.) in height along any side lines or lanes adjacent to any Residential District.

1.6 Landscaping

- (1) Landscaping in all developments shall be to the satisfaction of the Development Authority and in accordance with the municipality's landscaping standards. Where a landscaping plan is required with an application for a development permit, no landscaping shall commence prior to the plan being approved by the Development Authority.
- (2) The areas to be landscaped shall include all entrances, boulevards, buffer strips, drainage easements, retention and detention ponds, walkways, and playgrounds.
- (3) Landscaping plans shall include the following information and adhere to the included standards:
 - (a) the final grading of the area and the placing and spreading of topsoil. In particular:
 - (i) all areas to be landscaped shall be graded to drain to the road, into catch basins, or into adjacent drainage easements. Under no circumstances shall an area be designed, built, or landscaped to drain from public property onto private property, or from private property onto adjacent private property without appropriate easements.
 - (ii) the cross slope across boulevards shall be a minimum of two per cent (2%);
 - (b) all physical features, both existing and proposed, including shrubs and trees identified by their common name, their botanical name, and their size, grassed areas, flower beds, berms showing contours, walls, fences, outdoor furniture, surface utilities, water features, and decorative paving; and
 - (c) playground equipment and public seating areas if the area forms part of a communal amenity area.

- (4) When no lane separates commercial or industrial development from residential development, a landscaped buffer between the uses shall be required. A landscaped buffer may be required where a lane separates such uses. The planting and width of the buffer shall be as required by the Development Authority.
- (5) The owner of the site or his successors or assignees shall be responsible for proper maintenance of the landscaping. If plant material does not survive a two (2) year maintenance period, commencing when the Development Authority determines that the landscaping has been completed in accordance with approved plans, it must be replaced with plant material of similar type and size.

1.7 Shipping Containers (Sea Cans)

Placement of a Shipping Container requires a Development Permit.

- (1) All shipping containers shall comply with the following regulations and site requirements:
 - (a) notwithstanding subsection (3) shipping containers are not permitted in Residential districts;
 - (b) notwithstanding subsection (3) shipping containers are not permitted in the C1 Central Commercial District;
 - (c) within the C2, C2-H, C2-R, C3, C5, I, and P districts, shipping containers may be used as accessory structures, subject to the requirements for accessory structures and the land use districts.
 - (i) shipping containers shall be kept clean and well maintained, and placed in an orderly manner;
 - (ii) shipping containers are prohibited for storage of junk, trash, or other forms of refuse;
 - (iii) shipping containers shall not block or obstruct any exits, windows, required off-street parking spaces, driveways, or access to public utilities and/or right of ways;
 - (iv) shipping containers shall not be placed for the sole purpose of screening or fencing or to be used as an advertising structure; and
 - (v) shipping containers shall comply with any other regulation of the Land Use Bylaw and / or other bylaw, policy, or statute as required including but not limited to the Alberta Building and Fire Codes.
- (2) Shipping containers as a principal use, building or structure are permitted in C2-R and M Districts only and shall comply with the regulations of that district and any other bylaw, or statute as required.
- (3) Temporary use of shipping containers shall comply with the following regulations and site requirements:
 - (a) The shipping container(s) may be placed temporarily on a site in any district:
 - (i) during construction on a site when the shipping container is utilized solely for the storage of supplies and equipment that are used for

the site, provided that a valid Development and Building permit has been issued for construction on the site; or

- (ii) for the purpose of loading and unloading of items associated with the principal use, and for a period of not more than ten (10) days; the Development Authority Officer may grant one (1) extension of up to ten (10) days for large-scale projects.

The shipping container(s) must not be placed within 1.2m (3.9 ft.) the back of curb of the front yard and/or flanking front yard, or within 1.2m of the side or rear property lines.

- (b) The shipping container(s) shall be removed from the site:
 - (i) upon completion of the construction;
 - (ii) upon expiration of the Development permit;
 - (iii) on expiration of the allowed time period; or
 - (iv) no later than seven (7) days after notice of removal is issued by the Development Authority Officer.

1.8 Objects Prohibited or Restricted in Yards

- (1) No person shall keep or permit in any part of any yard in any district any excavation, storage or piling up of materials required during construction unless all necessary safety measures are taken, and the owner of such materials or excavations assumes full responsibility to ensure the situation does not prevail any longer than reasonably necessary to complete a particular stage of construction work.
- (2) No person shall keep or permit in any part of any yard in a Residential District:
 - (a) any dismantled or wrecked vehicle for more than fourteen (14) successive days;
 - (b) any object or chattel which, in the opinion of the Development Authority, is unsightly or tends to adversely affect the amenities of the district in which it is located;
 - (c) any vehicle, loaded or unloaded, of a gross vehicle weight in excess of 4018kg (9000 lbs.) for longer than is reasonably necessary to load or unload the vehicle; or
 - (d) any animals, other than domestic pets.

1.9 Projection into Yards

- (1) Except as provided in this Section and fences, no portion of a building shall be located or project into a required minimum yard.

- (2) Front Yards

The following features may project into a required minimum required yard:

- (a) steps, eaves, gutters, sills, and chimneys, or other similar projections, with the amount of the projection to be as allowed by the Development Authority Officer;
- (b) canopies over entrances to buildings, provided such projections are cantilevered and do not exceed 1.0m (3.3 ft.);
- (c) exterior balconies on apartments provided that:
 - (i) they are cantilevered, not enclosed, and designed as an integral part of the building, and
 - (ii) they do not project more than 2.0m (6.6 ft.) into the required minimum front yard.

1.10 Corner Sites and Double Fronting Sites

- (1) In all land use districts, a lot abutting onto two public roads or more shall have a front yard setback on each public road in accordance with the front yard requirements of this Bylaw. For the purposes of determining the setback requirements, the short front yard shall be referred to as the front yard, and the long front yard shall be referred to as the flanking front yard.
- (2) Notwithstanding any other provision of this Bylaw to the contrary, the Development Authority Officer may require that a development on a corner site or on a double fronting site provide two minimum required front yards, after having regard to the orientation of adjacent lots and to the location of accesses to the development.
- (3) A corner or double fronting lot may be required to provide sight line protection at the sole discretion of the Development Authority Officer, if the municipal boulevard is not sufficient for vehicle visibility or service and maintenance vehicles to manoeuvre in the lane.

1.11 Sight Line Protection

- (1) On corner sites, no fence, wall, tree, bush, structure or thing more than 1.0m (3.3 ft.) in height shall be erected, placed or maintained within the triangular area formed by the intersecting road right-of-way lines (or their projections) and a straight-line joining points on the road right-of-way lines 6.0m (19.7 ft.) from their intersection.
- (2) At the intersection of roads and lanes, and at intersections of driveways and roads, no fence, wall, tree, bush, structure or thing more than 1.0m (3.3 ft.) in height shall be erected, placed or maintained within the triangular area formed by the intersecting road or lane right-of-way lines or the edge of the driveway and a straight-line joining points on the road or lane right-of-way lines or the edge of the driveway 3.0m (9.8 ft.) from their intersection.
- (3) Notwithstanding any other provision of this Bylaw to the contrary, no sign shall be located within the areas defined in Subsections (1) and (2) such that any part of the sign is between the heights of 1.0m (3.3 ft.) and 4.0m (13.1 ft.) above grade.

1.12 Site Grading and Drainage

- (1) In all cases, site grades shall be established to not allow one site to drain onto an adjacent site except where drainage conforms to an acceptable local or subdivision drainage plan and is approved by the Development Authority. In addition:
 - (a) there shall be no amount of pooling water within a development area or portion of the developed area and nor shall the surface water drain to pool water in adjacent lots;
 - (b) all development sites shall be graded to drain surface water onto municipal lands;
 - (c) a downspout from an eaves trough must have an elbow and an extension or concrete splash pad to convey and direct surface water away from foundation walls towards drainage swales and onto municipal lands;
 - (i) the minimum distance of the discharge point of downspouts and splash pads from a property line 15cm (6 inches) from any adjacent private property or 30cm (11.8 inches) from an adjacent municipal property;
 - (ii) vacant or undeveloped lands shall be graded so that all surface water will flow towards municipal land.
 - (d) the Development Authority Officer may require the developer to submit a Lot Grading Certificate from a certified land surveyor, professional engineer, or a registered architect for rough and final grade within 1 year of occupancy.

1.13 Land Subject to Flooding

Where lands are subject to flooding, either within the floodway or flood fringe, the following applies:

- (1) No new buildings or other new structures shall be allowed within the floodway as indicated in Schedule B of this Bylaw;
- (2) The Development Authority may refer to Alberta Environment and Parks, for procedures and recommendations, on any development permit application within the flood hazard area;

- (3) The feasibility of permitting development and thereby removing any land from the flood hazard area (flood way or flood fringe) shall be determined through a comprehensive planning process including an engineering report;
- (4) Before a development permit is issued for the construction of any development within the flood fringe, the Development Authority may require that the applicant submit appropriate engineered flood protection measures from a professional engineer, verifying that the following factors have been addressed in the development proposal:
 - (a) the flood proofing of habitable rooms, electrical panels and heating units, and open able windows;
 - (b) basement drainage and site drainage; and
 - (c) information on grade elevation in relation to the flood fringe and floodway elevation.
- (5) the Development Authority Officer shall not issue a development permit for any development within 20.0m (65.6 ft.) of any river, body of water including the top-of-bank of any water body, until it is satisfied that adequate flood mitigation will be provided; The Development Authority Officer may require a greater setback if a professional engineer so requires; and
- (6) the Development Authority Officer may require that the development of a building or site be designed by a professional engineer; and
- (7) the Development Authority Officer shall permit minor renovations or repairs to an existing building, not including structural repairs, within the flood fringe area, without requiring or maintaining the flood proofing, and shall adhere to all provisions of the Canada-Alberta Flood Damage Reduction Program.

1.14 Exterior Appearance

- (1) The exterior finish on all buildings and structures (fences, walls, signs, etc.) in all districts shall be of a permanent material and be of a character and quality satisfactory to the Development Authority.
- (2) The design, character, and appearance of all buildings and structures shall:
 - (a) be compatible with other buildings and structures in the vicinity unless it is setting a new standard for the district in which it is located;
 - (b) be suited to the purpose of the district in which it is located; and
 - (c) be reviewed from time to time by the Development Authority Officer for the external appearance and finish for any neglect, damage, fading of paint to at least 50% of the building, and any unsightliness that is unsatisfactory to the Development Authority Officer or Council;
 - (d) comply with the provision of any statutory plan applicable to the design, character, or appearance of the building.

1.15 Lighting

Outdoor lighting for any development in all districts shall be located and arranged so that no direct rays of light are directed at any adjacent properties or interfere with the effectiveness of any traffic control devices or pose a potential hazard to vehicles or pedestrian traffic.

1.16 Noise

No use or operation shall create noise levels which exceed those measures prescribed in municipal bylaws.

1.17 Nuisance

- (1) No activity may be undertaken which, in the opinion of the Development Authority Officer, constitutes a nuisance by reason of the generation of vibration, heat, humidity, glare, smoke, dust, other particulate matter, or odour.
- (2) Solid waste shall be placed in weather-proof and animal-proof containers and screened from adjacent sites, and roads, and shall be in a location easily accessible for pick-up in Town provided containers according to the solid waste management storage practises.
- (3) Construction and renovation solid waste, if needed, shall be placed in a commercially rented solid waste management receptacle. These containers can remain for the duration of the building permit.

1.18 Environmental Screening

Where the potential for prior contamination of a site exists, the Development Authority may require that a Phase 1 Environmental Site Assessment be conducted according to the guidelines of Alberta Environment and Parks, prior to a development permit being issued. Any follow-up assessment or remedies that may be required may be incorporated into conditions for the approval of the development permit.

1.19 Hazardous Materials

- (1) The location of any anhydrous ammonia (AAG) or liquefied petroleum gas (LPG) storage tank with a water capacity exceeding 9080 l (2000 gal.) shall be in accordance with the requirements of the Development Authority Officer, but in no case be less than a minimum distance of 125.0m (410 ft.) from assembly, institutional, commercial, or residential buildings.
- (2) AAG or LPG containers with a water capacity of less than 9080 l (2000 gal.) shall be located in accordance with regulations under the Safety Codes Act.
- (3) All developments which store manufacture or utilize materials or products which may be hazardous due to their flammable or explosive characteristics shall comply with Provincial and Federal legislation and regulations.
- (4) No development shall emit air or water contaminants in excess of the standards prescribed by Provincial and Federal legislation and regulations.

- (5) All commercial or industrial developments involving the following hazardous materials shall submit a written description of the materials and operations being undertaken on the site at the time of development permit application or at the time the operation begins using the materials:
 - (a) poisonous and infections agents;
 - (b) pesticides;
 - (c) corrosives and explosives;
 - (d) flammable and combustible liquids;
 - (e) manures; and
 - (f) radiation
- (6) No development shall create or discharge toxic materials in amounts or quantities that exceed the levels prescribed by Provincial and Federal legislation and regulations.
- (7) No development shall discharge toxic or noxious materials:
 - (a) across the boundaries of a site;
 - (b) through infiltration into the soil;
 - (c) into the municipal sewage disposal system, except as otherwise directed by the municipality; or
 - (d) into a water body, any surface water channel, or any below surface water course.

1.20 Utility Easements on Private Property

No development other than landscaping or a fence approved by a development permit and with prior consent of the easement holder shall be constructed or placed on a utility easement on private property, and the development shall not restrict access to the utility easement for the purpose of installation and maintenance of the utility.

1.21 On-Site and Off-Site Services and Improvements

- (1) Where any on-site services or improvements, or any off-site local improvements are required to service a proposed development, a developer shall not commence the development until the Development Authority Officer is satisfied that such services or improvements will be undertaken.
- (2) No development permit shall be issued for a development to be serviced by private sewer and water systems.
- (3) On-site and off-site improvements are the sole responsibility of the developer unless alternative arrangements are negotiated with the Development Authority.

1.22 Development of a Project

- (1) All uses in a project including multiple uses shall be either permitted or discretionary in the district in which the project is located.

- (2) The site area, lot sizes and lot coverage within a project shall adhere to the regulations of the district in which the project is located, unless a variance is granted.
- (3) No building within a project shall be located closer to a front, side, or rear line than specified within the district in which the project is located, unless granted a variance.
- (4) Internal separation space between principal buildings within a project shall be to the satisfaction of the Development Authority, based on site design considerations and the need for access between buildings. In no case shall such separation space be less than 2.5m (8.2 ft.) where building height is 2 storeys or less and 4.25m (13.9 ft.) where building height exceeds 2 storeys.
- (5) Prior to the granting of approval of a subdivision application or a development permit for a project, as the case may be, the developer shall provide the municipality with a proposed site development and landscaping plan and enter into an agreement with the municipality specifying the respecting obligations of the developer and the municipality regarding all of the following as may be applicable:
 - (a) the establishment, operation, and maintenance of facilities for:
 - (i) storm water management;
 - (ii) sanitary sewage collection and disposal;
 - (iii) water, power, and gas supply;
 - (iv) access via roads, sidewalks, walkways, and curbs;
 - (v) snow removal;
 - (vi) garbage collection, including garbage collection areas and buffering of same;
 - (vii) fire protection;
 - (viii) parks, playgrounds, buffers, and other amenity areas;
 - (ix) landscaping and fencing; and
 - (x) any other facility deemed necessary by the Development Authority.
 - (b) the standards of construction for same and the provision of security to ensure completion of any or all of them;
 - (c) the manner in which costs of same are to be met or recovered; the period of time agreed upon for completion of construction or installation of the facilities;
 - (d) the provision to the municipality of as-built site and utility plans showing the boundaries of all lots and the location of all buildings and services; and
 - (e) such other matters as may be deemed necessary by the Development Authority.

1.23 Bare Land Condominium

- (1) A bare land condominium unit must comply with:
 - (a) all the general regulations of this Bylaw and with the regulations applicable to the district within which the bare land condominium unit is located as if the unit were a lot or site;
 - (b) with the exception of common property lines on duplex or attached units, no building on a bare land condominium development may encroach on any property line, utility easement or right-of-way;
 - (c) a bare land condominium plan shall be treated in all respects as though it were a plan of subdivision and shall comply with all requirements for a subdivision, including, but not limited to:
 - (i) adequate pedestrian and vehicle access;
 - (ii) provision of supply of water, electrical power, gas, sanitary sewer and Storm drainage; and
 - (iii) sequencing and timing of construction for all buildings and servicing.

1.24 Addressing of Properties

- (1) The Development Authority shall assign the civic address for each building, dwelling, unit, or units;
- (2) The Development Authority shall notify the postal service of the assigned addressing;
- (3) Every building shall have its address number clearly displayed near the front door entrance. The numbers shall be easily visible from the street and shall be a minimum of 100 millimetres tall;
- (4) No owner or developer shall assign addressing for a development.

1.25 Topsoil Excavation

No person shall commence or continue the removal of topsoil without first obtaining a development permit. There shall be provided upon the occupancy of the development, minimum topsoil coverage of 0.15m (6 inches) and the affected area shall be landscaped to the satisfaction of the Development Authority.

1.26 Non-Conformity through Metrication

No existing building, structure or lot shall be deemed a non-conforming building because of non-compliance with a metric measurement used in this Bylaw where it conformed to the imperial measurement used in previous Land Use Bylaws.

SECTION 2 - ACCESSORY USE AND STRUCTURE REGULATIONS

Notwithstanding the District Regulations in effect on a site, the following regulations shall also apply:

2.1. General Regulations

- (1) Accessory buildings, structures, and uses shall comply with all relevant provisions of this Bylaw.
- (2) A Development Permit and Building Permit are required if the accessory building is 10.0m² (107.6 ft²) or more and must be obtained prior to any construction.
- (3) No person shall use or permit an accessory building to be used as a dwelling unit.
- (4) Accessory buildings shall be constructed either simultaneously with, or after, the construction of the principal building on a site or the commencement of the principal use on a site, and not before the principal building is constructed or the principal use commences.
- (5) Where a building is attached to a principal building by a breezeway, and or an open or enclosed roofed passage above grade, it is to be considered a part of the principal building and not an accessory building, and all the minimum yard requirements of the principal building shall apply.
- (6) No person shall construct or permit the construction of an accessory building, or group of accessory buildings, such that, individually or collectively, the gross floor area of the accessory building or buildings would:
 - (a) along with the principal building, exceed the maximum site coverage allowed on the site;
 - (b) exceed the floor area of the principal building on the site; or
 - (c) exceed twelve per cent (12%) of the site area.
- (7) Accessory buildings shall not be located in a front yard.
- (8) Accessory buildings shall not be located on an easement or a utility right-of-way.
- (9) Accessory structures must comply with all safety code requirements.

2.2. Accessory and Temporary Structures (Garages, Sheds, Buildings, and Tent Structures) in Residential Districts

- (1) Accessory and temporary structures in Residential Districts shall:
 - (a) not be closer to the front property line than the principal building, except in the case of double fronting or corner site where, in the opinion of the Development Authority Officer, any adjacent developments would not be adversely affected, the minimum front setback of an accessory structure is 6.1m (20.0 ft.);

- (b) not be closer to a rear property line than 1.0m (3.3 ft.), except that where the vehicle doors of a garage face a lane abutting the site, the garage shall be no closer than 6.1m (20.0 ft.) from the lane;
 - (c) not be closer than 1.0m (3.3 ft.) from the side line, excepting where a fire wall is constructed along the boundary line between two garages located within one building;
 - (d) be located such that no roof overhang is located within 0.3m (1.0 ft.) of a side or rear line;
 - (e) not exceed one storey or 5.5m (18 ft.) in height;
 - (f) not be closer than 1.5m (5 ft.) to the principal building on the property.
- (2) In addition to the requirements noted in (1) above, temporary structures in Residential Districts shall meet the following:
- (a) no temporary structure shall have a floor area exceeding 22.0m² (236.ft²);
 - (b) the owner shall enter into an agreement to remove the temporary structure in accordance with the terms and conditions stipulated by the Development Authority Officer;
 - (c) there shall be no more than one temporary structure per site;
 - (d) in the case of a pre-manufactured temporary structure, the elevations shall be subject to the approval of the Development Authority Officer;
 - (e) the temporary structure shall be completed in accordance with terms stipulated by the Development Authority Officer, provided that the temporary permit shall expire at the end of twenty-four (24) months, unless renewed by the Development Authority Officer for a further term, and that such structure complies with this Bylaw;
 - (f) if an owner fails to comply with the terms and conditions of a temporary permit, the Development Authority Officer may remove or cause to be removed such structures as the case maybe, the costs of which shall be charged against the lands upon which the temporary structure is situated and shall be payable by the owner to the Town upon demand.
- (3) In addition to the requirements noted in (1) and (2) above, tent structures within residential districts shall be subject to the following conditions:
- (a) tent structures are temporary structures with the term of placement at the discretion of the Development Authority Officer, with extension or renewal of the term requiring a Development Permit;
 - (b) tent structures shall be prefabricated and shall consist of a metal, plastic, or wood frame covered with a flame-resistant fabric or film; tent structures shall be securely anchored to the ground;
 - (c) tent structures shall not restrict in any manner any required exit from the residential building;
 - (d) tent structures shall be used solely for the storage of non-combustible objects;

- (e) tent structures shall be constructed and oriented in such a manner that snow, and ice is to fall, and remain, on the owner's property;
- (f) tent structures shall be maintained in a good state of repair;
- (g) the maximum area for a tent structure shall not exceed 22.0m² (236 ft²).
- (h) the number of tent structures on a residential property is as follows:
 - (i) R1 – shall not exceed one (1) tent structure.
 - (ii) R2 – Shall not exceed one (1) tent structure.
 - (iii) R3 – No tent structures permitted. Where there are existing structures, only one may be grandfathered until the title changes or if it becomes unsightly, then the structures must comply with this Bylaw.
 - (iv) R4 – No tent structures permitted. Where there are existing structures, only one may be grandfathered until the title changes or if it becomes unsightly, then the structures must comply with this Bylaw.
 - (v) R5 – Shall not exceed two (2) tent structures.
 - (vi) RMH – Shall not exceed one (1) tent structure per stall.

2.3. Accessory and Temporary Structures in Districts Other Than Residential Districts

- (1) In Districts other than Residential Districts, requirements governing the development of accessory and temporary structures shall be at the discretion of the Development Authority Officer, unless otherwise indicated in this Bylaw.

2.4. Decks

- (1) Uncovered and open decks in Residential Districts shall have a minimum rear setback of 2.7m (9.0 ft.) from any rear property line, and minimum side yard setback of 1.2m (4.0 ft.) from any side yard property lines.
- (2) Covered decks and decks screened by netting or mesh, including patios and verandas, may project a maximum of 1.5m (5.0 ft.) into minimum required front or rear yards, but shall not be enclosed nor extend into required side yards of the principal building.

2.5. Swimming Pools, Hot Tubs, and Inflatable Pools

- (1) Notwithstanding any other provision of this Bylaw to the contrary, a development permit is required prior to the commencement of the installation or construction of any in ground structures.
- (2) Swimming pools, hot tubs or inflatable pools shall not be located within any front yard.
- (3) Every hot tub, or swimming pool shall be secured against entry. A lockable lid shall be considered appropriate security for a hot tub.

- (4) No swimming pool may be constructed except within an enclosed building unless it is entirely fenced. A wall of a building may be considered to replace any part of the required fence provided that the wall is a minimum of 1.83m (6.0 ft.) in height for the length that it replaces the fence.
- (5) Every fence enclosing a swimming pool constructed outside of an enclosed building shall be 1.83m (6.0 ft.) in height or, at the discretion of the Development Authority Officer, higher, and shall be of appropriate design to limit the ability of persons to use the fence parts to climb the fence or to crawl through or under the fence. Gates shall be equipped with a self-latching device and a lock mechanism located on the inside of the gate.
- (6) No barbed wire or electrification of any part of a fence or gate enclosing a swimming pool or hot tub shall be allowed.

2.6. Home Occupations

- (1) Home Occupations require a Development Permit, which may be issued with or without conditions.
- (2) Home occupations shall only be allowed on a site where a dwelling unit is located, with the home occupation as a secondary use of the dwelling unit;
- (3) A Development Permit shall be revocable at any time by the Development Authority Officer, if, in their opinion, the home occupation is or has become detrimental to the amenities of the neighbourhood in which it is located or if there is any change or intensification of the home occupation as originally approved.
- (4) The Development Authority Officer may place time limits on the period for which a Development Permit for a home occupation is valid.
- (5) All home occupations, including direct sales consultants shall comply with the following requirements:
 - (a) if the applicant is not the owner of the premises, written permission from the owner must be submitted with the Development Permit application;
 - (b) no home occupation shall change the principal character or external appearance of the dwelling or of any accessory buildings;
 - (c) a business license shall be obtained and maintained;
 - (d) no more than 20% or 30m² (323 ft²), whichever is less, of the dwelling unit shall be occupied by the home occupation;
 - (e) there shall be no outdoor business activity, or outdoor storage of material or equipment associated with the home occupation, nor shall there be any storage of hazardous material allowed on the site, excluding normal household materials;
 - (f) the dwelling in which a home occupation is located may have one fascia sign placed on the dwelling, providing that the sign does not exceed 1.0m² (10.8 ft²) in area or a free-standing sign that does not exceed 0.28m² (3.0 ft²) with the approval of the Development Authority Officer;

- (g) the home occupation shall not create any nuisance by way of noise, dust, odour, or smoke, or anything of an offensive or objectionable nature that may interfere with or affect the use, enjoyment or value of a neighbouring property;
 - (h) there shall be no mechanical or electrical equipment used which creates external noise, or visible or audible interference with home electronics or computer equipment in adjacent dwellings;
 - (i) a Development Permit for a home occupation shall be terminated should the applicant vacate the property for which the permit has been issued;
 - (j) pedestrian or vehicular traffic, shall not, in the opinion of the Development Authority Officer, be generated in excess of that which is characteristic of the district in which the home occupation is located;
 - (k) only two (2) business related vehicles may be parked on the street at one time;
 - (l) only one (1) commercial vehicle of a capacity not exceeding 1.0 tonne (2200 lbs.), shall be used in conjunction with the home occupation, or parked or maintained on the site or on the road in proximity to the site. Truck trailers or vehicle accessories or equipment shall not be allowed; and
 - (m) the home occupation shall not be allowed if, in the opinion of the Development Authority Officer, such use would be more appropriately located in a Commercial or an Industrial District, having regard for the overall compatibility of the use with the residential character of the area.
- (6) In addition to the requirements included in (1) through (5) above, Home Occupations – Minor and Direct Sales Consultants shall comply with the following regulations:
- (a) there shall not be any clients or customers on-site of the home occupation minor.
 - (b) the home occupation shall be operated by a permanent resident only and may not employ any other person;
 - (c) the home occupation shall not exceed 10m² (100 ft²) in floor area for display of goods within the interior of the dwelling, excluding the purpose of using the products for their everyday living or their own home decoration.
- (7) In addition to the requirements included in (1) through (5) above, Home Occupations - Major shall comply with the following regulations:
- (a) the home occupation may utilize accessory buildings, with no outdoor storage, while still maintaining the residential use as the primary use on the site;
 - (b) the home occupation may employ up to one (1) other person that does not reside on the site or within the primary residence;
 - (c) there shall be no more than fifteen (15) client or customer visits to a home occupation-major per week, excluding deliveries of stock or goods;

- (d) the number of clients or customers on-site shall not exceed 6 at any time, with the exception of a sales party, whereby for a period of four (4) hours a maximum number of clients on-site shall not exceed fifteen (15) at any given time during the sales party;

2.7. Outdoor Display

- (1) Outdoor displays require a Development Permit, which may be issued with or without conditions.
- (2) Outdoor displays shall be discretionary as an accessory use on the same lot as the primary use, and shall not be operated as a separate business;
- (3) All outdoor display areas must be maintained and displayed in a neat, orderly, and safe manner;
- (4) The goods, merchandise or products offered for sale in an outdoor display area must be of such nature that they are not typically located within the primary building or structure, such as vehicles, trailers, farm equipment, building and landscaping supplies;
- (5) Outdoor displays shall not be located on any public or private right-of-way;
- (6) No outdoor display shall be located within 15 metres (50 ft.) of any residential district;
- (7) Where outdoor storage is located on lawn areas an unobstructed portion of a walkway measuring not less than 1.2 metres (4 ft.) shall be continuously maintained for pedestrian access and no point of access or egress from any building or any individual unit within any building shall be blocked at any time;
- (8) Outdoor display areas may be located in front of, on the side of or behind the principal building, but shall have a minimum 1.5 metres (5 ft.) setback from the front property line;
- (9) No outdoor display shall obstruct visibility at the intersection roadways and/or driveways.

2.8. Alternative Energy Technology

- (1) Alternative Energy Technology installations require a Development Permit, which may be issued with or without conditions.
- (2) Alternative Energy Technology shall be discretionary as an accessory use on the same lot as the primary use, and shall not be operated as a separate business;
- (3) All Alternative Energy Technology must be maintained and displayed in a neat, orderly, and safe manner;
- (4) Alternative Energy Technology shall not be located on any public or private right-of-way;
- (5) Where Alternative Energy Technology is located on a roof it shall not exceed the height allowed for the buildings within the district.

- (6) Alternative Energy Technology may be located to the side or rear of the principal development, but shall be a minimum 1.5 metre from any property line;
- (7) Alternative Energy Technology installations shall conform to the aesthetic standards of the neighbourhood.

SECTION 3 - PARKING AND LOADING PROVISIONS

Notwithstanding the District Regulations in effect on a site, the following regulations shall also apply:

3.1. Parking and Loading Areas

- (1) Unless otherwise approved by the Development Authority Officer, each development shall provide on its site a parking area containing, at a minimum, the number of parking spaces as calculated from the following Table 1.

Table 1 Parking & Loading Regulations

- (a) In the case of a use not specifically mentioned, the required number of on-site parking spaces shall be the same as for a similar use as determined by the Development Authority Officer.

- (b) Where a development contains more than one use as listed, the required number of parking spaces shall be the sum of the requirements for each of the uses listed.
 - (c) Where a fractional number of parking or loading spaces are required, the next highest number of spaces shall be provided except where cash-in-lieu is approved for parking, at the sole discretion of the Development Authority Officer.
 - (d) All parking stall and loading spaces are required by this Bylaw to be located on the same site as the development except where provisions within a land use district allow for cash-in-lieu of parking or off-site parking, at the sole discretion of the Development Authority Officer. Such off-site parking shall be used exclusively as a parking area and shall be secured by written agreement for a time period equal to that of the approved use.
 - (e) Developments may provide their required parking spaces within one or more adjacent parking areas and may collectively fulfil the requirements of this Bylaw at the discretion of the Development Authority Officer.
- (2) Notwithstanding Subsection (1) above, in the C1 – Central Commercial District, the following provisions shall apply:
- (a) in the case of major renovations and architectural modifications to an existing building, no parking spaces in addition to those existing prior to undertaking the renovations or modifications shall be required;
 - (b) in the case of expansion to the floor area of an existing building, additional parking spaces shall be required based on the size and use of the expansion only; and
 - (c) in the case of a change in the use of an existing building, no parking spaces in addition to those existing prior to the change in use shall be required provided that no alteration to the floor area of the building occurs.
- (3) Accessible parking shall be provided in accordance with the Alberta Building Code, without variance. These spaces shall be a minimum width of 3.7 m (12.0 ft.) wide, located near an accessible building entrance, and clearly identified with signage.
- (4) At the discretion of the Development Authority Officer, a developer may pay money to the municipality in lieu of providing parking spaces in the C1, C2, and C2-R Districts. The amount of money will be determined by the Council.
- (5) Surfacing, Drainage, and Road Access
- (a) All parking areas shall be clearly marked, hard surfaced, landscaped, adequately lit with lighting directed away from adjacent sites, adequately graded, and drained to dispose of all storm water run-off, and include necessary curb cuts.
 - (b) Notwithstanding Paragraph (a) above, where the access to or egress from a parking area is from a gravelled road, or where the development involves the expansion of an existing building on a site where the existing parking area is not hard surfaced, the parking area may, at the option of the

developer, be gravelled at the discretion of the Development Authority Officer.

- (c) Drainage shall only be allowed to cross sidewalks if approved by the Development Authority Officer.
 - (d) All work must comply with all federal, provincial, and municipal regulations which may include, but is not limited to, oil and grit separators, catch basins or any other spectacles required.
 - (e) No vehicle access to a public road shall be allowed from any commercial, industrial, institutional, or multi-family residential site, unless turning space is provided on the site such that vehicles entering upon the site may turn before re-entering the street.
 - (f) Access to highways shall be limited to arterial roads, collector, and service roads, and where no service roads are provided access shall be limited to those access points approved by Alberta Transportation.
- (6) Except as required in Subsection (3) above, all parking spaces shall conform to the requirements shown in Table 2

Table 2 Minimum Parking Standards

- (7) No person(s) shall be allowed to park any semi-trucks, tandem trucks, grain trucks or any other vehicle over 10,000kg in a residential district, except for deliveries and the dropping off or picking up of any other passengers for a time limit no longer than fifteen (15) minutes.

(See following figure for definitions of column headings)

3.2. Off-Street Loading Areas

- (1) Where a proposed development will, in the opinion of the Development Authority Officer, require pick-up or delivery of commodities, adequate space for the loading and unloading of same shall be provided and maintained on the site.
- (2) When required by the Development Authority Officer, loading spaces shall:
 - (a) have dimensions of not less than 3.05m (10 ft.) in width, 7.6m (25 ft.) in length, and clearance 4.3m (14.0 ft.) in height above grade;
 - (b) have vehicular ingress to, and egress from, a road or lane either directly or by a clearly defined traffic aisle;
 - (c) be sited at an elevation or elevations convenient to a major floor level in building or to a utility elevator serving each major floor level;
 - (d) be so graded and drained as to dispose of all storm water runoff. Drainage shall only be allowed to cross sidewalks if approved by the Development Authority Officer;
 - (e) be paved or hard surfaced where a parking area is required to be paved or hard surfaced;
 - (f) have adequate lighting to the satisfaction of the Development Authority Officer; and
 - (g) be screened on any side adjoining any Residential District by a wall, fence, earth berm or hedge of not less than 1.53m (5.0 ft.) and not more than 2.0m (6.6 ft.) in height.

SECTION 4 - SPECIAL USE PROVISIONS

Notwithstanding the District Regulations in effect on a site, the following regulations shall also apply:

4.1. Bed and Breakfast Establishments

A bed and breakfast establishment shall comply with the following regulations:

- (1) a bed and breakfast establishment shall have a maximum of four (4) bedrooms for rent and not change the principal character or external appearance of the dwelling;
- (2) cooking facilities shall not be located within the sleeping units;

Car Washes	550m ² (5920 ft ²)
Service Station & Car Wash together	1114m ² (11,991 ft ²)

- (b) Where a drive-in business not mentioned above forms part of a shopping centre of multiple use development, the minimum site area, maximum site coverage, and maximum building floor area may be established by the Development Authority Officer.
- (3) The minimum required distances between site boundary lines and any building shall be:
- (a) 6.0m (20 ft.) from the property line to that part of the principal building used as a drive-through building or as part of a drive-through;
 - (b) 6.0m (20 ft.) from any property line or parking areas to all pump islands;
 - (c) 3.0m (9.8 ft.) from any property line to canopies over pump islands or drive-through aisles; and
 - (d) for a drive-through development adjacent to a Residential District:
 - (i) 10.0m (32.8 ft.); or
 - (ii) such greater distance that the Development Authority Officer deems necessary in order to buffer the residential District from noise, traffic or other impacts of the drive-through development.
- (4) Queuing Space
- Queuing space and traffic circulation shall be provided in accordance with the following:
- (a) a drive-through development with a drive-up service window shall provide a minimum of 3 in-bound and 1 outbound queuing spaces per service window.
 - (b) a drive-through vehicle service establishment shall provide a minimum of 4 in-bound and 1 out-bound queuing spaces per service bay;
 - (c) a full-service car wash shall provide 4 in-bound and 2 out-bound queuing spaces, or such other number as required by the Development Authority Officer taking into consideration the number of wash bays;
 - (d) queuing spaces must be a minimum of 6.0m (19.7 ft.) long and 3.0m (9.8 ft.) wide;
 - (e) queuing spaces must allow for vehicle turning and manoeuvring, and
 - (f) pump islands must be located to allow a through traffic lane with a minimum width of 6.0m (19.7 ft.);
 - (g) with the exception of a drive-through restaurant, a queuing space does not include any space occupied by a motor vehicle during the provision of service.
- (5) Site and Building Requirements
- (a) All parts of the site to which vehicles may have access shall be hard surfaced and drained to the satisfaction of the Development Authority Officer.

- (b) The site and all improvements thereon shall be maintained in clean and tidy condition, free from rubbish and debris.
- (c) Receptacles for the purpose of disposing of rubbish and debris shall be provided as required by the Development Authority Officer.
- (d) A minimum of ten per cent (10%) of the site area of a drive-in business shall be landscaped to the satisfaction of the Development Authority Officer.
- (e) In addition to the fencing, landscaping, and environmental protection requirements indicated in Part Two, Section 1.5, a berm and/ or fence shall be erected and maintained by the developer of a drive-in business along any property lines abutting or across a lane or walkway from a Residential District.
- (f) If a car wash is located on a site which abuts a Residential District, noise attenuation shall be provided to the satisfaction of the Development Authority Officer.

4.3. Intoxicant Sales

- (1) For the purposes of sections 640(7), 642(5) and 687(3) of the *Municipal Government Act*, a premise described in a cannabis license may not have any part of an exterior wall that is located within 100 metres of
 - (a) a provincial health care facility or a boundary of the parcel of land on which the facility is located,
 - (b) a building containing a school or a boundary of a parcel of land on which the building is located, or
 - (c) a boundary of a parcel of land that is designated as school reserve or municipal and school reserve under the *Municipal Government Act*.”

However, where development includes cannabis retail sales specifically, the distance from Schools, and provincial health-care facilities, as defined in the “Hospitals Act” shall be 50 metres in the C1 District.

- (2) The Development Authority Officer may require lighting, signage and screening measures, including landscaping, in addition to the other requirements of this Bylaw that, in the opinion of, will make a development compatible with existing uses which are either adjacent or nearby.

4.4. Motels & Hotels

- (1) The owner, tenant, operator, or person in charge of a motel or hotel shall at all times:
 - (a) maintain the site and buildings, structures, and improvements thereon in a clean, tidy, and attractive condition and keeping the same free from all rubbish and debris;
 - (b) maintain garbage facilities to the satisfaction of the Development Authority Officer; and

- (2) Entrances and Exits
 - (a) Not more than one (1) motor vehicle entrance and one (1) motor vehicle exit to a street, each of a minimum width of 7.5m (24.5 ft.), provided that one (1) combined motor vehicle entrance and exit shall be permitted, not less than 10.0m (32.8 ft.) in width.
 - (b) All access and curb crossings shall require the approval of the Development Authority Officer.
- (3) Notwithstanding any provisions of this Bylaw to the contrary, a minimum of 10% of the site area of a motel or hotel development shall be landscaped in accordance with the following:
 - (a) grade level parking areas accommodating fifteen (15) or more parking spaces shall incorporate landscaped areas at a minimum of 2.0sq. m (22 sq. ft.) each for parking space;
 - (b) parking areas may not contain more than twenty-five (25) contiguous parking areas without incorporating landscaping islands;
 - (c) landscaped buffers between parking, loading or other hard surfaced areas must be a minimum of 3.0m (9.8 ft.) in width. Landscaped buffers between parking, loading, or other hard surfaced areas and adjacent residential properties must be a minimum of 6.0m (19.7 ft.) in width, or to the satisfaction of the Development Authority Officer;
 - (d) the Development Authority Officer may require other types of screening (i.e. masonry wall, earth berm, or a combination thereof).

4.5. Shopping Centres

- (1) The maximum building height shall be 15.0m (49 ft.) or two (2.5) storeys, whichever is greater.
- (2) All shopping centres shall satisfy the Development Authority Officer as to:
 - (a) the orientation, exterior design, and architectural appearance of buildings;
 - (b) the location of development in relation to adjacent land uses;
 - (c) vehicular traffic flow patterns within and access to and from the site;
 - (d) safe pedestrian access and egress within the site and from any pedestrian way; and
 - (e) the location of exterior signs.
- (3) A shopping centre shall only contain those uses listed as permitted or discretionary uses within the district in which the shopping centre is located.
- (4) The Development Authority Officer may apply conditions as required, having regard to the nature of the proposed shopping centre development and adjacent land uses.

4.6. Animal Care and Related Uses

These regulations shall apply to all animal care and related uses, including animal hospitals and shelters, small animal breeding and boarding establishments, small animal clinics, veterinary clinics and hospitals, and pet stores and pet grooming establishments;

- (1) The Development Authority Officer shall require that development of these uses pay particular attention to Section 1 of Part Two, specifically noise and odour which may cause nuisance or negative external impact. Pens, rooms, and runs shall be adequately soundproofed;
- (2) Facilities which house animals overnight shall be equipped with an adequate exercise space relative to the maximum number of animals that can be housed;
- (3) A separate air extractor system shall be provided in the animal holding area where heating and air conditioning is shared with other developments;
- (4) Any establishment for animal care shall have the regard to the need for securing the animals at all times to prevent escape for the safety of the animals and general public;
- (5) All fur, hair and/ or disposal material incidental to animal care facilities shall be bagged and disposed of in a neat and orderly manner;
- (6) Kennels are not permitted within the Town of Vegreville.

4.7. Places of Worship

- (1) The site on which a place of worship is situated shall have:
 - (a) a frontage of not less than 30.0m (98.4 ft.);
 - (b) an area of not less than 900m² (9688 ft²), except in the case where a building for a clergyman's residence is to be erected on the same site, where the total area of the site shall not be less than 1390m² (14,962 ft²).
- (2) Minimum front, side and rear yards shall be those required within the district in which the place of worship is located.
- (3) Notwithstanding any other provision of this Bylaw to the contrary, a portion of the required minimum number of parking spaces may be located on a site other than that of the subject place of worship if it is demonstrated to the satisfaction of the Development Authority Officer that such off-site parking spaces are available for the use of the patrons of the place of worship.

4.8. Conversion of Single Detached Dwellings to Other Uses

In considering any application for the conversion of a single detached dwelling into another use, the Development Authority Officer shall ensure that the development complies with the following requirements:

- (1) the use shall be listed as a permitted or a discretionary use in the district in which the single detached dwelling is located;

- (2) parking shall be provided in accordance with this Bylaw, except that on-street parking may be considered, and a number of on-street parking stalls subtracted from the number of off-street parking stalls required at the discretion of the Development Authority Officer;
- (3) off-street parking shall be located at the rear of the principal building and accessible from the lane only, except in the case of a corner site where parking may be allowed between the side of the principal building and the road, if the parking is screened from adjacent roads to the satisfaction of the Development Authority Officer;
- (4) where the conversion involves exterior renovation, such renovation shall be of a nature which maintains a height, exterior finish, design, and coverage that reflects the original residential use and conforms to the character of the surrounding neighbourhood and is to the satisfaction of the Development Authority Officer;
- (5) existing healthy vegetation should be retained whenever possible and to the satisfaction of the Development Authority Officer; and

4.9. Show Homes

- (1) In addition to the requirements of Section 3.4, Part One of this Bylaw, a development permit application for a show home shall be accompanied by information indicating proposed parking, exterior lighting, and signs.
- (2) Development permits shall be issued for a maximum of one (1) year only, and if the operator wishes to continue the use, must be renewed on an annual basis.
- (3) The appearance of the building shall, in the opinion of the Development Authority Officer, be compatible with the character of other buildings in the vicinity.

4.10. Day Care Facilities

- (1) All Day Care facilities shall conform to regulations under the Safety Codes Act, as amended, and any other relevant Provincial legislation and regulations, as amended.
- (2) In considering a development permit application, the Development Authority Officer shall consider, among other matters, if the development would be suitable for the proposed location, taking into account, among other matters, potential traffic, proximity to park and recreation areas, isolation of the site from dwellings, buffering or other techniques limiting interference with other uses and the peaceful enjoyment of nearby dwellings, and consistency in term of intensity of use with other development in the area.
- (3) The Development Authority Officer shall establish the maximum number of children for which care may be provided, having regard for the nature of the facility, the density of the district in which the Day Care is located, and potential impacts, including traffic, on the other uses in the vicinity of the development.

4.11. Manufactured Homes

- (1) **Units** - The following regulations apply to all manufactured home units:
 - (a) Each manufactured home unit must have Canadian Standard Association and Alberta Labour Certification.
 - (b) All accessory structures, such as decks, porches, additions, and skirting's, shall be:
 - (i) factory-prefabricated units or the equivalent thereof, and so designed and erected as to harmonize with the manufactured home units;
 - (ii) considered as part of the principal building; and
 - (iii) erected only after obtaining a Development Permit.
 - (c) A manufactured home unit shall be skirted from the floor level to the ground level. The skirting shall match the external finish of the manufactured home unit.
 - (d) The maximum permitted floor area of porches and additions shall be proportionate to the floor area of the manufactured home unit, and this relationship shall be determined by the Development Authority Officer.
 - (e) No accessory building or use, other than parking spaces, shall be located in the front yard of a manufactured home unit.
 - (f) Furniture, domestic equipment, or seasonally used equipment shall be stored in adequate covered storage or screened area, either individually on the stall or lot or communally.
 - (g) The hitch and wheels are to be removed from the manufactured home unit at the time of placement;
 - (h) Manufactured home units shall be placed on a foundation or base, and by of bolting or otherwise to the foundation or base.
 - (i) the lot or stall is to be fully landscaped within one (1) year from the date of issuance of the development permit for the manufactured home unit.
- (2) **Parks** - The following regulations also apply to manufactured home parks:
 - (a) Stalls shall be located at least 3.0m (9.8 ft.) from a property boundary line. This 3.0m (9.8 ft.) wide strip shall be landscaped and/or fenced to the satisfaction of the Development Authority Officer;
 - (b) All roadways shall be constructed and maintained to the satisfaction of the Development Authority Officer. Minimum right-of-way width shall be 9.0m (29.52 ft.), minimum surfaced width shall be 6.0m (20 ft.);
 - (c) A safe, convenient, all season pedestrian walkway of at least 1.0m (3.28 ft.) in width shall be provided for access between individual manufactured home units, the park roadways, and all community facilities provided for park residents;
 - (d) Visitor parking shall be located at convenient locations throughout the manufactured home park and shall not be used for the storage of boats,

trailers, etc.; Visitor parking may be accommodated on roadways where the surfaced roadway is 9.0m (29.5 ft.) or wider and driveways are not affected.

- (e) the design of manufactured home parks shall be to the satisfaction of the Development Authority Officer;
- (f) All utilities shall be provided underground to stalls;
- (g) A minimum of 10% of the gross site area shall be devoted to recreational use;
- (h) All areas not occupied by manufactured home units and their additions, roadways, footpaths, driveways, permanent buildings and any other developed facilities shall be landscaped to the satisfaction of the Development Authority Officer. Screen fences or walls shall be erected where deemed necessary by the Development Authority Officer around maintenance yards, refuse collection points and playgrounds;
- (i) Manufactured home park facilities shall be arranged to create a homelike atmosphere. This objective may be achieved by variations in street pattern, block shapes, and the location of manufactured home unit stalls;
- (j) Each stall shall be clearly marked off by means of stakes and countersunk steel posts;
- (k) Street lighting shall be to the same standard as that in a conventional residential neighbourhood;
- (l) Only one main, free-standing, identification sign of residential character and appearance may be erected at the entrance to a manufactured home park, unless the Development Authority Officer is of the opinion that a second and similar sign shall be allowed under exceptional circumstances relating to the layout, location, and size of the park in relation to surrounding areas. The sign or signs shall be of a size, type and construction acceptable to the Development Authority Officer;
- (m) Directional signs within the manufactured home park must be integrated in design and appearance, be kept in scale with the immediate surroundings and constructed of durable material;
- (n) Manufactured home units shall be separated from each other by at least 3.6m. Any porch or addition to the manufactured home unit shall be regarded as part of the manufactured home unit for the purpose of this separation;
- (o) The minimum distance between a manufactured home unit and the front, side, or rear lines of its stall shall be as listed in the district regulations;
- (p) The minimum lot area of the manufactured home park shall be 2.0 hectares (5.0 acres);
- (q) The maximum density for a manufactured home park shall be 16 units per gross developable hectare (6.5 per acre) of the lot being developed at each stage of development; and
- (r) the minimum area for a manufactured home stall shall be 372.0m² (4004 ft²).

4.12. Secondary Suites

- (1) A secondary suite shall:
 - (a) be developed only in a detached dwelling and only in those land use districts where it is listed as a use;
 - (b) be limited to one secondary suite per principal dwelling;
 - (c) have a separate entrance from the principal dwelling;
 - (d) have a maximum floor area as follows:
 - (i) in the case of a secondary suite located completely below the first storey of the principal dwelling, shall not exceed the floor area of the first storey; and
 - (ii) in the case of a secondary suite developed completely or partially above grade, the floor area shall not exceed 40% of the total above grade floor area of the building containing the associated principal dwelling nor 70.0m² (753 ft²) whichever is lesser.
 - (e) have a minimum floor area not less than 38.0m² (400 ft²);
 - (f) be developed in such a manner that the exterior of the principal building containing the secondary suite appears as a single dwelling;
 - (g) have a maximum of two (2) bedrooms; and
 - (h) comply with all Safety Codes.
- (2) A secondary suite shall not be developed within a dwelling containing a group home.
- (3) The secondary suite shall not be eligible for separation from the principal dwelling through condominium conversion or subdivision.
- (4) One on-site parking stall shall be provided for the secondary suite, in addition to the required number of parking stalls for the principal dwelling. Tandem parking shall not be accepted as a method for meeting this requirement.

4.13. Garage and Garden Suites

- (1) A Garage Suite or Garden Suite shall not be allowed on the same site, lot or parcel of land containing a Secondary Suite, Group Care Facility, Group Home, Boarding or a Lodging House.
- (2) Where Garage or Gardens Suites are Discretionary, the Development Authority Officer shall exercise discretion in considering a Garage or Garden Suite having regard to:
 - (a) compatibility of the use with the siting, grade elevations, height of the primary residence, building type and materials, character of the surrounding neighbourhood; and
 - (b) the effect on the privacy of adjacent sites.
- (3) A Garage or Garden Suite can only be developed if there is an existing primary

residence, or it is being constructed simultaneously and is finished to match the principal building.

- (4) A Garage or Garden Suite must have an entrance separate from the vehicle entrance to the detached garage, either from a common indoor landing or directly from the exterior of the structure.
- (5) The maximum height of a Garage Suite shall be 6.5m (21.3 ft.) or the height of the principal dwelling, whichever is the lesser.
- (6) The maximum height for a Garden Suite shall be 4.5m (14.8 ft.).
- (7) The maximum floor area of a Garage Suite or Garden Suite shall be 60.0m² (645.8 ft²).
- (8) The minimum floor area for a Garage Suite or Garden Suite shall be 38m² (400 ft²).
- (9) The minimum side yard setback shall be 1.2m (4.0 ft.), except for corner sites where the suite shall meet the setbacks of a corner or double fronting site.

4.14. Satellite Dish Antennas

- (1) A satellite dish antenna greater than 0.80m (2.62 ft.) in diameter is an accessory use which requires a development permit.
- (2) A satellite dish antenna greater than 0.80m (2.62 ft.) in diameter shall only be located in the rear yard, or side yard that does not abut a street.
- (3) Satellite dish antennas may be erected or placed on a site as an accessory to a residential use in a Residential District, or to a commercial use or business in a Commercial or an Industrial District.
- (4) A satellite dish antenna greater than 0.80m (2.62 ft.) in diameter shall be sited only at ground level. The antenna height shall not exceed 3.35m (12.0 ft.) measured from the ground level to its highest point unless otherwise approved by the Development Authority Officer.
- (5) A satellite dish antenna shall be situated so that no part of it is closer than 1.0m (3.28 ft.) from the side or rear boundaries of the parcel. On a corner parcel, no part of the antenna shall be located closer to the street than the principal building.

4.15. Moved-In Buildings and Relocation of Buildings

In making a decision on a development permit application to relocate an already constructed or partially constructed building other than a new prefabricated accessory building, new manufactured home, or new factory-built building, the Development Authority shall consider whether the building is compatible with the character of the neighbourhood in which it is proposed to be located and may refuse a development permit if the building is or will be incompatible with the neighbourhood.

- (1) The Developer shall provide to the municipality the following:
 - (a) plans showing dimensions of the building and the proposed location of the building on a lot or site;

- (b) current photographs of the exterior and interior of the building;
 - (c) an inspection report for the building by a certified safety codes officer, structural engineer, or architect on the structural integrity of the building, electrical, plumbing and gas components.
 - (d) a performance bond (or letter of credit) of not less than \$20,000.00, or as required by the Development Authority Officer; and
 - (e) written confirmation of improvements that will be made to the building or upon relocation, including:
 - (i) external finish and a site plan;
 - (ii) landscaping including site grading and drainage;
 - (iii) intended use and time frame for completion of relocation and upgrades.
- (2) The developer may be required to enter into and abide by the terms of a development agreement with the municipality.
- (3) The building must be in character with the neighbourhood.
- (4) All structural and exterior renovations to a relocated building are to be completed within one (1) year of the issuance of a Development Permit.

4.16. Food Preparation

Any developments which involve the preparation of food, such as restaurants, shall ensure, to the satisfaction of the Development Authority Officer, that commercial grease traps are provided and maintained to the specifications of the manufacturer of the grease trap.

- (e) No livestock shall be permitted to be kept within the Restricted Development District.

PART THREE

In addition to the other regulations of this Bylaw, the following additional regulations shall apply to signs:

SECTION 1 - GENERAL SIGN PROVISIONS

1.1 Definitions

In this Bylaw:

- (1) **"sign"** means any word, letter, model, picture, symbol, device, or representation used as, or which is in the nature of, wholly or in part, an advertisement, announcement, or direction. Any structure or portion thereof, which is used primarily to carry, hold, maintain, support, or sustain a sign, is construed as being part of the sign and, except as hereinafter provided, is subject to all regulations governing signs. Without restricting the generality of the foregoing, a sign includes posters, notices, panels, boarding's, and banners;
- (2) **"A-board sign"** means a sign composed of two boards hinged at one end which is set upon the ground and has no external support structure;
- (3) **"area of sign"** means the total area within the outer perimeter of the sign, and, in the case of a sign comprised of individual letters or symbols shall be calculated as the area of a rectangle enclosing the letters or symbols. Frames and structural members not bearing advertising matter shall not be included in the computation of the area of a sign. All faces displaying information shall be included in calculating the area of a sign;
- (4) **"attached sign"** means any sign attached to, supported by, or displayed on a building, including wall, fascia, awning, canopy, projecting, projection, roof, or sky signs;
- (5) **"awning or canopy sign"** means a sign attached to a marquee, canopy or awning projecting outward from the face of a building;
- (6) **"billboard"** means a structure or board, primarily self-supporting, which is used for the display of general advertising, the subject matter of which is not necessarily related to the use or ownership of the property on which the structure is located;
- (7) **"business frontage"** means
 - (a) any side of a lot or building which abuts a road, or
 - (b) in the case of individual businesses or tenants within a building, any business which has windows fronting a road and direct at grade exterior access to a road, sidewalk, or parking lot;
- (8) **"electronic messaging sign"** means a sign or part of a sign on which the advertising is programmable or changeable by electrical or electronic means;

- (9) **"event directional sign"** means a temporary sign providing direction to a non-reoccurring event of less than three days in length, such as community, recreational, religious, educational, cultural, public, or quasi-public events, auction sales or other special presentations;
- (10) **"fascia or wall sign"** means a sign placed flat and parallel to the face of the building;
- (11) **"free-standing sign"** means a sign that is structurally self-supporting and is not connected in any way to a building or other structure, and includes post, pylon, monument, and portable signs;
- (12) **"free-standing post or pylon sign"** means a sign on a standard or column permanently attached to the ground;
- (13) **"free-standing monument sign"** means a sign having a support structure that is a solid-appearing base constructed of a permanent material permanently attached to the ground;
- (14) **"free-standing portable sign"** means a sign fixed to its own self-contained base and capable of being moved manually;
- (15) **"general advertising"** means advertising which relates to goods or services other than those produced, offered for sale, or obtainable at the lot on which the sign is displayed;
- (16) **"holographic sign"** means a sign which is displayed through the projection of light as a holographical image;
- (17) **"inflatable sign"** means a sign designed to be inflated and anchored or affixed to the ground or a building;
- (18) **"point-of-sale advertising"** means advertising which relates to the name of the occupier or firm, the nature of the business conducted, the goods produced, the main products and services sold or obtainable on the site on which the advertising is displayed;
- (19) **"projecting sign"** means a sign which is attached to a building or structure so that part of the sign projects more than 0.33m (1.0 ft.) from the face of the building or structure;
- (20) **"projection sign"** means a sign which is displayed through the projection of light on surface;
- (21) **"roof"** means the top of any enclosure, above or within the vertical walls of a building;
- (22) **"roof sign"** means any sign placed on or over a roof;
- (23) **"sky sign"** means a roof sign comprising individual letters or symbols on an open framework.

1.2 General Regulations

- (1) The placement, installation, enlargement, relocation, construction, or alteration of any sign requires a Development Permit, unless provided an exemption in Section 1.3 of Part Three of this bylaw.
- (2) No sign requiring a Development Permit shall be placed, installed, enlarged, relocated, constructed, or altered unless an application for this purpose has been approved and a Development Permit issued.
- (3) No sign shall be permitted to be placed in or attached to a fence, pole, tree or any object in a road right-of-way or a publicly owned place.
- (4) Notwithstanding 1.2 (3) above, event directional signs may, upon Development Authority Officer approval, be displayed on public right of ways, provided that:
 - (a) that they do not interfere with vehicular or pedestrian traffic;
 - (b) each notice shall not exceed 3m² (32.3 ft²) in area;
 - (c) there shall be a limit of one (1) notice for each side of the land or buildings on a different road;
 - (d) signs shall be placed not more than seventy-two (72) hours before the event and are removed within seventy-two (72) hours of the event's completion.
- (5) Notwithstanding 1.2 (3) above, signs authorized by a resolution of Council may be displayed on public road right of ways or publicly owned places under control of the Town of Vegreville.
- (6) No sign shall be erected that will obstruct the sight triangle or cause any obstruction to free and clear vision of vehicular traffic or at any location where it may interfere with, or be confused with, any authorized traffic sign, signal, or device, to the satisfaction of the Development Authority Officer.
- (7) A sign proposed to be located on lands within 300m (984 ft.) of the right-of-way of Highway 16A or Highway 857 or within 800m (2,624 ft.) of the intersection of these highways may require written approval from Alberta Transportation.
- (8) No signs or advertising structures shall be erected on or affixed to private property without the prior consent of the property owner.
- (9) No signs or advertising structures other than those specified below shall be permitted in a Residential District:
 - (a) signs associated with home occupations;
 - (b) signs for the purpose of identification, direction and warning or relating to a person, partnership or company carrying on a profession, business, or trade;
 - (c) signs relating to an institution of a religious, educational, cultural, recreational, or similar character;

- (10) All signs shall be securely built, constructed, and erected to conform to the

standards set forth in this Bylaw and the current Alberta Safety Codes as applicable. Signs shall be constructed with a base sufficient to prevent overturning of the sign. At the sole discretion of the Development Authority Officer, a design or plan prepared by an engineer may be required.

- (11) The total area of attached and free-standing (not including A Board) signs on a site shall not exceed 25% of the area of the building face on the business frontage.
- (12) Where illuminated, electronically animated, or electronic messaging signs are installed, illumination shall:
 - (a) not project onto any surrounding residential premises;
 - (b) not use lights resembling the flashing lights usually associated with danger or those used by emergency vehicles;
 - (c) not use spot or reflector lights directed at on-coming traffic or display travelling or flashing messages that create a hazard to traffic on a public roadway from which the sign is visible;
 - (d) not compete with or dull the contrast of a traffic control device;
 - (e) not exceed 1100 lumens and shall use automatic light level controls to adjust light levels at night, under cloudy and other darkened conditions to automatically adjust the brightness level based on ambient light conditions to ensure levels do not exceed 0.3 foot-candles above ambient light condition between sunset and sunrise.
- (13) Where photovoltaic cells are used to power a signs illumination, movement, or electronic messaging, required equipment is not included in the sign area may extend above the maximum sign height to the satisfaction of the Development Officer, provided it has been demonstrated to the Development Authority Officer that the additional height is required to achieve sufficient solar exposure to provide electrical power to the sign.

1.3 Exemptions from Sign Regulations

- (1) The following shall be exempted from the provisions of these sign regulations and may be placed or erected without a Development Permit:
 - (a) statutory and official notices and functional advertisements of the Town of Vegreville;
 - (b) traffic and directional signs;
 - (c) notices of identification in respect to the land or buildings on which they are displayed, and professional business and trade name plates relating to the occupants of the land or buildings on which they are displayed, provided that:
 - (i) each notice or name plate shall not exceed 0.20m² (2.15 ft.²) in area, and

- (ii) there shall be only one notice for each occupant, or each firm or company represented within the building, at each entrance on each different road.
- (d) signs and notices relating to the sale, lease or rental of the building or land to which they are displayed provided that the signs or notices:
 - (i) are not illuminated;
 - (ii) do not exceed 0.6m² (6.5 ft²) in area;
 - (iii) are limited to one (1) sign or notice for each side of the land or buildings on a different road;

 - (v) are removed be within fourteen (14) days after the sale or rental agreement has been entered into.
- (e) signs relating to construction work in progress on the land on which signs are erected, provided that:
 - (i) such signs shall be removed within fourteen (14) days of occupancy; and
 - (ii) such signs shall be limited in size to a maximum of 3m² (32.3 ft²), and in number to one (1) sign for each boundary of the property under construction which fronts onto a road.
- (f) signs not readily visible to the public from any public roads, sidewalks or walking trails;
- (g) signs displayed within a building;
- (h) signs displayed in or on an operational vehicle;
- (i) signs displayed on door plates, door boards, or kick plates;
- (j) temporary signs referring to promotions which are displayed upon the premises upon or within which such promotions will be or are being conducted, provided that:
 - (i) the signs shall not be illuminated and shall be constructed of paper, canvas, cardboard, or other light materials or painted on glass and intended to be displayed for a short period of time only; and
 - (ii) such signs shall not be erected more than seven (7) days before the commencement of the promotion to which they refer and shall be removed within seven (7) days of the completion of the promotion.

1.4 Details of Application

- (1) Application for a Development Permit shall be made to the Development Authority Officer. The application shall:
 - (a) be made on the official form provided by the Development Authority;
 - (b) be accompanied by a letter of consent from the property owner;
 - (c) include a set of drawings drawn to scale which indicate:
 - (i) the location of the sign by elevation drawing or site plan;
 - (ii) the overall dimensions of the sign,
 - (iii) the size of the letters or letter;
 - (iv) the amount of projection from the face of the building;
 - (v) the amount of projection over municipal property;
 - (vi) the height of the sign above the road, sidewalk or ground level;
 - (vii) the manner of illuminating the sign and any form of animated or intermittent lights that may be embodied in the construction;
and
 - (viii) the distance that the sign will be erected from any device for the control of traffic.
- (2) No person shall perform any work of erection or of placing or enlarging a sign differing from the work for which a development permit has been issued. If, during the progress of the work, the applicant desires to deviate in any way from the terms of the approved Development Permit, he shall notify the Development Authority Officer and submit amended drawings and, if the Development Authority Officer deems it necessary, shall make application for approval of the sign as amended.
- (3) A Development Permit is not required to clean, repair, or repaint any sign for which a Development Permit has been previously approved.

1.5 Care and Maintenance

- (1) All signs shall be maintained in good and safe structural condition and shall be periodically refurbished.
- (2) Where the Development Authority Officer determines that a sign is abandoned or in an overall state of disrepair, the owner of the land on which the sign is located or the owner or operator of the sign, by notice in writing, may be ordered to alter, refurbish, repair, or remove the sign and all related structure components within thirty (30) days.
- (3) Failure to remove the sign or to comply with the measures specified in the notice described in Subsection (2) above may result in the issuance of a violation ticket as described in Part One Section 5 of this bylaw.

- (4) The notice described in Subsection (2) hereof may, at the sole discretion of the Development Authority Officer, be considered a Stop Order for the purposes of this Bylaw.

1.6 Variances

Where there are exceptional circumstances or conditions applicable to a particular property to the extent that practical difficulties or results inconsistent with the general purposes of these regulations may result from their strict and literal interpretation and enforcement, variances shall be considered by the Development Authority Officer according to the merits of the individual application.

1.7 Existing Signs

These sign regulations shall not be applied to signs legally in existence at the date of the adoption of this Bylaw.

Free-Standing Portable Sign

2.8. Holographic Signs

- (1) Holographic signs are only allowed in Commercial Land Use Districts. They shall be considered by the Development Authority Officer according to the merits of each individual application, provided that:
 - (a) the Development Authority Officer shall be satisfied that the purpose of the sign cannot be achieved by another type of sign;
 - (b) the sign shall be displayed entirely with the property;
 - (c) no part of the display, shall be more than 25m (82.0 ft.) above the level of the site; and
 - (d) the sign must refer to the principal use of the property on which it displayed.

2.9. Inflatable Signs

- (1) At the sole discretion of the Development Authority Officer, an inflatable sign may be placed on a site twice within a calendar year for a maximum of 30 days at a time. One inflatable sign shall be permitted for each business or use at any one time, per location.
- (2) The sign owner's name, current business address and phone number shall be permanently affixed to the sign in a readily identifiable location.
- (3) Inflatable signs shall have a minimum front yard setback of 15.0m (49.2 ft.) and minimum 4.0m side and rear yard setbacks.
- (4) An inflatable sign shall have a maximum height of 4.5m (14.8 ft.) when erected on a lot having an area of 0.4 hectares (1.0 acre) or less. The height of an inflatable sign shall not be restricted when the sign is erected on a lot having an area of more than 0.4 hectares (1.0 acre).
- (5) Inflatable signs shall not be placed within 10.0m (32.8 ft.) of any traffic light, or above ground utility, or within a corner site line triangle area or driveway visibility triangle.
- (6) Inflatable signs shall not be placed within 10.0m (32.8 ft.) of a ground supported sign, a portable sign, or another inflatable sign on an abutting lot.

2.10. Projecting Signs

- (1) Projecting signs are permitted in all non-residential districts. Projecting signs shall be erected so that:
 - (a) no part of the sign, excluding that portion which is used for support, and which is free of advertising, shall be less than 2.5m (8.2 ft.) above the ground or sidewalk grade;
 - (b) no part of the sign shall project more than 0.5m (1.6 ft.) above the top of the vertical face of the wall to which it is attached;

- (c) no part of the sign may project more than 2.0m (6.0 ft.) from the building face to which it is attached;
- (d) the space between the sign and supporting structure shall not be more than 0.5m (1.6 ft.);
- (e) there shall be only one projecting sign for each business frontage, provided that, if a business frontage exceeds 15.0m (49.2 ft.) an additional projecting sign(s) shall be permitted for each additional 15.0m (49.2 ft.) or portion thereof;
- (f) the maximum area of the sign shall be related to the amount of projection from the face of the building, as follows:

Table 4 Permitted Sign Area Based on Projection				
Amount of Projection	2.0m (6.0 ft.)	1.5m (5.0 ft.)	1.0m	<1.0m
Maximum Area of Sign	3.5m ²	4.5m ²	5.5m ²	7.0m ²

- (g) any encroachment on a road or lane right-of-way does not project over that part of the road or lane one which vehicles may travel, and that the Town has agreed to such encroachment.

Projecting Sign

2.11. Projection Signs

- (1) Projection signs are permitted on buildings in all non-residential land use districts and shall only contain advertising or information relating to the approved activity within the building to which the sign is attached.
- (2) Projection signs shall be installed so that their display:
 - (a) is located on a business frontage;
 - (b) does not exceed in area the equivalent of 25% of the superficial area of the wall comprising the business frontage.
- (3) Projection signs on a flank, which is not a business frontage, shall be considered by the Development Authority Officer according to the merits of the individual application.

SECTION 3 – ENFORCEMENT OF SIGN REGULATIONS

3.1. Enforcement

In addition to Part One, Section 5 of this Bylaw:

- (1) in addition to any other remedy referenced under this schedule, the Development Authority Officer, a Peace Officer or Bylaw Officer may immediately remove and/or impound any sign:
 - (a) placed in contravention of a provision of this Bylaw;
 - (b) where the sign is in a state of extensive disrepair;
 - (c) where safety concerns or emergency conditions may justify such removal.
- (2) A removed sign shall be delivered to a storage facility where it will remain impounded until claimed by an individual, business or organization referenced on the sign.
- (3) If an impounded sign is not reclaimed within thirty (30) days of the sign's removal, the municipality may dispose of the sign in any manner it deems appropriate.
