Town Council approves reopening of the Wally Fedun Arena with restrictions

At a special Council meeting held on September 8, 2020, Town Council voted to reopen the Wally Fedun Arena effective September 10. The Arena will have numerous safety measures in place and will only be available for organized play. No public opportunities will be offered at this time.

Some of the safety measures include:

- Mandatory physical distancing in all common areas
- Daily screening and self-checks
- Spectators will be limited to 100 people or 25% of the Arena's capacity; and
- A three-strike system for non-compliance

Everyone participating in organized play will have to sign a waiver document, which will soon be posted to our website.

For more information, please contact:

Phil Rowe, Community Services Director
