TOWN OF
VEGREVILLE

Vegreville Fire Services

Fire Prevention Tips

Clean Gutters and Roofs: Remove debris, leaves, and needles that can accumulate and become fire hazards.

Safe Campfires: If building a campfire, choose an open location far from flammable materials, build a fire ring, and ensure it's completely extinguished before leaving.

Smoke and Heat Alarms: Install them on every level, inside bedrooms, and outside sleeping areas. Test them regularly and change batteries as needed.

Fire Escape Plan: Develop and practice a plan with all family members, including multiple escape routes and a designated meeting place outside.
