Temporary Closure of Administrative Services at Vegreville RCMP Detachment

Kind Regards,

In light of the escalating outbreak of Covid 19 within the Vegreville Detachment Area, our front counter services will be closed until further notice.

Matters that do not require immediate, in-person response such as criminal record checks, minor collisions, thefts, property damage, lost items, etc. will be dealt with remotely where possible.

Please call our administrative line **(780) 631-2750** during business hours – Monday to Friday 8:30 am to 4:30 pm, to speak directly with an RCMP employee in regards to your matter.

Crimes involving property damage, theft, or loss of property under \$5000.00, can be made through the RCMP online reporting system at <https://ocre-sielc.rcmp-grc.gc.ca/alberta>.

Please be assured there will be no interruption in police response to emergency calls. Public safety remains our top priority and front line police officers will continue to respond when needed. If you require urgent police assistance, please call 911.

These measures are being taken to protect our employees and the citizens we serve, your patience and support is appreciated.

Sincerely,

S/Sgt. Terry Hyggen
