

Launch a New Career as a Family Day Home Provider – Provincially Approved Program, all training provided.

Do you want to work from home in a rewarding career that allows you to contribute to the community, constantly learn new skills and grow professionally?

The Organization

The Vegreville and Area Family Day Home Program is a provincially approved program that recruits, trains, and monitors family day homes as well as connects families to providers and handles all payments from families and to providers. Our providers and families work together to create a community to support the growth and development of children.

The Position

We are looking for three new providers to become approved family day homes and be connected with families looking for approved, monitored care.

Qualifications:

- First Aid
- Clear criminal record and child welfare checks
- A passion for learning about child development and early childhood education

Training Provided

- Child Care Assistant (former level 1) online course: This course results in a Child Care Certificate that can be used in many child care occupations.
- Ongoing training in program planning, child development and observation and documentation of learning.

Why Should You Apply?

- Work from home
- Access to training and education
- Provincial wage top up above parent fees
- Fees are collected for you
- Support of working with other providers and program coordinator
