VEGREVILLE CENTENNIAL LIBRARY

DID YOU KNOW....

- The Vegreville Centennial Library has a Programs & Events page on their website with activities for all ages!
- The Library has eResources for everyone! eBooks, audio books and more... register for a Library Card today to get started!
- There are 4 computers available for public use - no library card needed! Just go to the circulation desk and ask to sign a computer usage form. (If you are under the age of 18, you will need a parent or caregiver to sign the form on your behalf.)

Visit vegrevillelibrary.ab.ca to find details on these programs and more!

Fire Prevention Week | October 5 - 11, 2025

Charge Into Fire Safety: Lithium-Ion Batteries in Your Home

The Vegreville Fire Service would like to remind the public of the following three fire safety steps:

- Buy only listed products. When buying a product that uses a lithium-ion battery, look for a safety certification mark such as UL, ETL, or CSA. This means it meets important safety standards.
- Charge devices safely. Always use the cords that came with the product to charge. Follow the instructions from the manufacturer. Buy new chargers from the manufacturer or one that the manufacturer has approved. Charge your device on a hard surface. Don't overcharge your device. Unplug it or remove the battery when it's fully charged.
- Recycle batteries responsibly. Don't throw lithium-ion batteries in the trash or regular recycling bins because they could start a fire. Recycle your device or battery at a safe battery recycling location.
